Do you want your child to attend an independent or grammar school? Wondering how to give him or her the best possible chance of passing these exams? Practise & Pass 11+ Level 3: Maths Practice Test Papers is a brand new pack filled with hundreds of new, authentic practise questions in the same multiple choice format as the final exams. Designed for children who have completed the Discover and Develop levels, Practise & Pass 11+ Level 3: Maths Practice Test Papers is the final stage of the Practise & Pass 11+ series which allows your child to receive a full programme of coaching needed to pass the 11+ exams. Competition is high and places are very limited in independent and grammar schools so Practise & Pass 11+ Level 3: Maths Practice Test Papers is an invaluable tool to give your child the head start they need. The Practise & Pass 11+ series has been developed in line with the current entrance exams so your children will be answering questions that are in an identical format and style to those that will be in the final test. Covering the four key subjects, verbal reasoning, non-verbal reasoning, maths and English, the series is split into three levels - Discover, Develop and Practice Test Papers. After working through the Practise & Pass 11+ series your child will be fully prepared for the tests, have the edge over other applicants and be equipped with the best possible chance to get into the school of your choice. Give your child the skills and experience to pass the 11+ exam with flying colours. Whenever a student decides to prepare for any examination, her/his first and foremost curiosity is about the type of questions that he/she has to face. We feel great pleasure to present before you this book. We have made an attempt to provide unit wise collection of questions asked in KVPY with answer and solutions to majority of questions. Solutions to the questions are not just sketch rather have been written in such a manner that the students will be able to understand the application of concept and can answer some other related questions too. We firmly believe that the book in this form will definitely help a genuine, hardworking student. we have tried our best to keep errors out of this book. Comment and criticism from readers will be highly appreciated and incorporated in the subsequent edition. We wish to utilize the opportunity to place on record our special thanks to all team members of Content Development for their efforts to make this wonderful book.
