

Florentine Note Cards (Boxed Cards, Stationery) (Note Card Series)

This book presents the first focused investigation of Francisco Goya's (1746–1828) graphic output. Spanning six decades, Goya's works on paper reflect the transformation and turmoil of the Enlightenment, the Inquisition, and Spain's years of constitutional government. Two essays, a detailed chronology, and more than 100 featured artworks illuminate the remarkable breadth and power of Goya's drawings and prints, situating the artist within his historical moment. The selected pieces document the various phases and qualities of Goya's graphic work—from his early etchings after Velázquez through print series such as the Caprichos and The Disasters of War to his late lithographs, The Bulls of Bordeaux, and including albums of drawings that reveal the artist's nightmares, dreams, and visions.

The early twentieth century brought renewed focus upon the image of the coast and witnessed the formation of art colonies in Old Lyme, Connecticut, and Ogunquit and Monhegan, Maine. These creative communities became an inspiration for artists and art students, among them Edward Hopper, Childe Hassam, Robert Henri, Rockwell Kent, and George Bellows. Visually stunning, Call of the Coast: Art Colonies of New England explores the importance of place for artists in these colonies, and the development of impressionist Connecticut and modernist Maine within the visual traditions of the coast of New England. Featuring approximately 80 works, Call of the Coast illustrates each major painting with extensive interpretative text and includes documentary photography to provide historical context for the artworks.

Writing a thoughtful, sincere, and appropriate note can be difficult. This guide helps readers find the right words to mark any milestone or occasion. Regardless of the situation or the relationship, easy-to-follow guidelines lead you to words that matter.

In the Gilded Age, when most sculptors aspired to produce monuments, Bessie Potter Vonnoh (1872–1955) made significant contributions to small bronze sculpture and garden statuary designed for the embellishment of the home. Julie Aronson explores how, by concentrating on sculpture for domestic settings that expertly combined naturalism with elegance, Vonnoh negotiated a male-dominated field to create a pathway to professional success and made high-quality sculpture accessible to a wider audience. In an essay that examines Vonnoh's relationship with her foundries and scrutinizes bronze castings, Janis Conner demystifies baffling issues of authenticity and quality in turn-of-the-century bronzes. This copiously illustrated book, indispensable for all sculpture enthusiasts, accompanies the first exhibition since 1930 dedicated to the art of Bessie Potter Vonnoh.

Most people consider life a battle, but it is not a battle, it is a game. It is a game, however, which cannot be played successfully without the knowledge of spiritual law, and the Old and the New Testaments give the rules of the game with wonderful clearness. Jesus the Christ taught that it was a great game of Giving and Receiving. If we give hate, we will receive hate; if we give love, we will receive love; if we give criticism, we will receive criticism; if we lie we will be lied to; if we cheat we will be cheated. We are taught also, that the imaging faculty plays a leading part in the game of life. Keep thy heart (or imagination) with all diligence, for out of it are the issues of life." (Prov. 4:23.)

If you are a cat person, you know that cats celebrate Christmas. They marvel at Christmas trees, attack gift wrap, give presents (c'mon! a dead mouse counts!), receive presents, and eat too much. This holiday behavior was shrewdly documented by B. "Meg" Kliban (1935-1990), the closest man to a cat anyone has ever encountered. For the first time, his dozens of Yuletide Cat cartoons and paintings have been collected in this charming but revealing little book. As an extra added attraction, never-before-published Cat lyrics to well-known Christmas carols are included, researched and collected by Professor Winkie B. Earmites. Hark the Hungry Kitties Sing, We Wish You a Mousie Christmas, and Kitties We Have Heard on High are just a few of the rousing standards included. Click on the small picture above for an inside view.
