

I Could Pee On This 2018 Wall Calendar

There's a new cat in town! This feisty sibling of the international bestseller *I Could Pee on This* will be making its own sensational mark in the cat-poetry world. *I Could Pee on This, Too* explores fresh feline emotions and philosophical musings through cats' own poetry, such as "Welcome New Cat," "Sleeping My Life Away," and "You Also Live Here." Any cat lover who's longed for a deeper look into the enigmatic world of their cats will fall whiskers over paws for this well-versed follow-up.

From the #1 New York Times bestselling author of *I Could Pee on This*, Francesco Marciuliano presents this humorous and all too relatable book written from the perspective of some pensive, sometimes intense, but nonetheless insightful pets. Have you ever been labeled as "antisocial," "shy," or "lost in your own thoughts" because you don't realize someone's been calling your name 148 times? The cats understand. *All Cats Are Introverts* is a collection of self-reflective poetry from cats that clearly shows them to be the insightful, often alert, crowd-averse, personally engaging, probably napping-as-we-speak introverts of the animal kingdom. Enjoy this completely relatable and hilarious book, and perhaps you will soon see the cat--and even yourself--in a whole new light. Cat lovers will laugh out loud at the quirkiness of their feline friends with these insightful and curious poems from the singular minds of housecats. In this hilarious book of tongue-in-cheek poetry, the author of the internationally syndicated comic strip *Sally Forth* helps cats unlock their creative potential and explain their odd behavior to ignorant humans. With titles like "Who Is That on Your Lap?," "This Is My Chair," "Kneel Before Me," "Nudge," and "Some of My Best Friends Are Dogs," the poems collected in *I Could Pee on This* perfectly capture the inner workings of the cat psyche. With photos of the cat authors throughout, this whimsical volume reveals kitties at their wackiest, and most exasperating (but always lovable).

In a world filled with inspirational know-it-alls and quotable blowhards, only one figure is indifferent enough to tell the cranky truth: Grumpy Cat. Following the success of her New York Times bestselling debut, everyone's favorite disgruntled feline is back with this demotivational guide to everyday life, love, friendship, and more. Featuring many new photos of Grumpy Cat's famous frown and packed with uninspiring observations, *The Grumpy Guide to Life* will help anyone get in touch with their inner grouch.

Includes 10 illustrations by Barbara Knox A delightful, whimsical tale—one of the most popular books for cat lovers ever written. May Sarton's fictionalized account of her cat Tom Jones's life and adventures prior to making the author's acquaintance begins with a fiercely independent, nameless street cat who follows the ten commandments of the Gentleman Cat—including "A Gentleman Cat allows no constraint of his person, not even loving constraint." But after several years of roaming, Tom has grown tired of his vagabond lifestyle, and he

concludes that there might be some appeal after all in giving up the freedom of street life for a loving home. It will take just the right human companion, however, to make his transformation from Cat About Town to genuine Fur Person possible. Sarton's book is one of the most beloved stories ever written about the joys and tribulations inherent in sharing one's life with a cat.

I've rounded up a rowdy assembly *Of my own Consequential Dogs As counterparts to Eliot's mogs. Mine are a rough and ready bunch: You wouldn't take them out to lunch . . . But if they strike you as friendly, funny, Full of bounce and fond of a romp, Forgetful of poetic pomp, I trust you'll take them as you find them And, at the very least, not mind them.* T. S. Eliot's best-selling collection of practical cat poems has been one of the most successful poetry collections in the world. For the first time in company history a companion volume will be published. Originally conceived by Eliot himself, *Old Toffer's Book of Consequential Dog poems* are a witty, varied and exquisitely compiled as Eliot's cats.

And to poets, in particular, these enigmatic creatures are the most delightful and beguiling of muses (Charles Baudelaire: "the sole source of amusement in one's lodgings") as they go about purring, prowling, hunting, playing, meowing, and napping, often oblivious to their so-called masters (Jorge Luis Borges: "you live in other time, lord of your realm—a world as closed and separate as a dream"). Cat Poems offers a litter of odes to our beloved felines by Charles Baudelaire, Stevie Smith, Christopher Smart, Denise Levertov, Lawrence Ferlinghetti, Rainer Maria Rilke, Muriel Spark, William Carlos Williams, Ezra Pound, and many others.

Experience the uplifting, "unforgettable" New York Times bestseller

about an abandoned kitten named Dewey, whose life in a library won over a farming town and the world--with over 2 million copies sold! (Booklist) Dewey's story starts in the worst possible way. On the coldest night of the year in Spencer, Iowa, at only a few weeks old--a critical age for kittens--he was stuffed into the return book slot of the Spencer Public Library. He was found the next morning by library director Vicki Myron, a single mother who had survived the loss of her family farm, a breast cancer scare, and an alcoholic husband. Dewey won her heart, and the hearts of the staff, by pulling himself up and hobbling on frostbitten feet to nudge each of them in a gesture of thanks and love. For the next nineteen years, he never stopped charming the people of Spencer with his enthusiasm, warmth, humility (for a cat), and, above all, his sixth sense about who needed him most. As his fame grew from town to town, then state to state and finally, amazingly, worldwide, Dewey became more than just a friend; he became a source of pride for an extraordinary Heartland farming community slowly working its way back from the greatest crisis in its long history.

Eventually one rescue kitten became five, and all the ups and downs of a life with cats are lovingly depicted here: From the obsessive cat who teaches himself to play fetch and demands it morning, noon, and night from his hapless human mom; to the crafty white beauty who raises outside-the-litter-box thinking to the level of an art form; to the routine vet trip that turns into a hijinks-filled misadventure on the streets of Manhattan with three (VERY cranky!) felines in tow. And Homer, the Blind Wonder Cat himself, returns triumphant in new tales of life and love after worldwide fame. *True Tales of the Cuddliest Coworkers Around the world, there are cats earning their keep. Some are mousers, like Princess, a black cat who works at Mill Ridge Farm's stables. Some are circus performers, like Tuna and her furry friends in *The Amazing Acro-Cats*. And some*

are even politicians, like Mayor Stubbs, an orange tabby who holds office in Talkeetna, Alaska. From the sarcastic to the suggestive, here are quotation marks as we love them best, doing horrible damage to the English language.

Who wouldn't have second thoughts about ordering the "hamburger" on the diner's menu? Would it be best to skip the "blowout" sale at the department store? What hidden price must be paid for something marked "free"? Assembled by the creator of the wildly popular "Blog" of "Unnecessary" Quotation Marks, this book surveys the havoc wreaked by quotation marks on signs, menus, placards, and posters that leave reality upended by supposed "facts." This smarty-pants guide is "perfect" for desperate grammarians, habitual air quoters, and anyone who appreciates a good laugh.

What if you learned that to lead well, you'd need to live like a drug addict? During treatment for drug addiction, Michael Brody-Waite learned three principles that became the difference between life and death: Practice rigorous authenticity Surrender the outcome Do uncomfortable work Leaving rehab, Michael entered the workplace where he was shocked to see most business leaders doing what he had been taught would kill him. He began to see striking similarities between drug addiction and what he calls "mask addiction." Leaders everywhere were hiding their authentic selves in order to get what they wanted. They were doing things like: Saying yes when they could say no Hiding their weaknesses Avoiding difficult conversations Holding back their unique perspectives Instead of chasing drugs, leaders were chasing professional, financial, and social success from behind a mask—to the detriment of themselves and the people around them. Thanks to his recovery, Michael's three principles gave him an unlikely competitive advantage throughout his career, resulting in a level of success unexpected for a "drug addict." In Great Leaders Live Like Drug Addicts, Michael explains what drug addicts do to recover and provides a step-by-step program you can use to break free from your mask addiction to thrive in both work and life. He equips you with the tools you need to live and lead mask-free—tools to enable you to stop following others, lead yourself, and become one of the dynamic, growing, authentic leaders this world desperately needs.

THE INSTANT #1 NEW YORK TIMES BESTSELLER "Sparkling with mystery, humor and the uncanny, this is a fun read. But beneath its effervescent tone, more complex themes are at play." –San Francisco Chronicle In his wildly entertaining debut novel, Hank Green—cocreator of *Crash Course*, *Vlogbrothers*, and *SciShow*—spins a sweeping, cinematic tale about a young woman who becomes an overnight celebrity before realizing she's part of something bigger, and stranger, than anyone could have possibly imagined. The Carls just appeared. Roaming through New York City at three a.m., twenty-three-year-old April May stumbles across a giant sculpture. Delighted by its appearance and craftsmanship—like a ten-foot-tall Transformer wearing a suit of samurai armor—April and her best friend, Andy, make a video with it, which Andy uploads to YouTube. The next day, April wakes up to a viral video and a new life. News quickly spreads that there are Carls in dozens of cities around the world—from Beijing to Buenos Aires—and April, as their first documentarian, finds herself at the center of an intense international media spotlight. Seizing the opportunity to make her mark on the world, April now has to deal with the consequences her new particular brand of fame has on her relationships, her safety, and her own identity. And all eyes are on April to figure out not just what the Carls are, but what they want from us. Compulsively entertaining and powerfully relevant, *An Absolutely Remarkable Thing* grapples with big themes, including how the social internet is changing fame, rhetoric, and radicalization; how our culture deals with fear and uncertainty; and how vilification and adoration spring for the same dehumanization that follows a life in the public eye. The beginning of an exciting fiction career, *An Absolutely Remarkable Thing* is a bold and insightful novel of now.

A collection of humorous poems delves into the cat psyche, covering such topics as separation anxiety, scratching at closed doors, and trips to the veterinarian.

*This cute illustrated book shows what it's like to live and work from home with a cat, a situation over one third of us are familiar with. Stepping on computer keyboards, knocking things off the table, interrupting video calls—cats can be distracting coworkers. With colorful art and oh-so-relatable scenarios, *Working from Home with a Cat* takes readers through a day in the life of artist Heidi Moreno and her pet cat Peanut. From the time she wakes up until the time she goes to bed, she navigates working with her needy yet loveable feline companion, as Peanut walks over her paintings, hogs her chair, disrupts her yoga routine, and more. Despite all the struggles, cats like Peanut are always by our side when we need them, even on the hardest, loneliest workdays. *Working from Home with a Cat* reminds us why cats are the cutest colleagues and a source of comfort and calm in this chaotic world. • Features funny and heartwarming scenarios anyone who has tried to concentrate at home with a cat has experienced • For readers who like *How to Tell if Your Cat is Plotting to Kill You*, *Herding Cats* by Sarah Scribbles, and *You Need More Sleep: Advice from Cats* by Francesco Marciuliano*

A series of humorous and serious poems about cats.

The cats of America are under siege! Long gone are the good old days when a cat's biggest worries were mean dogs or a bath. Modern cats must confront satanists, online predators, the possibility of needing to survive in a post-apocalyptic wasteland, and countless other threats to their nine lives. For over four decades, the American Association of Patriots have stood at the vanguard of our country's defense by helping to prepare our nation's cat owners for the difficult conversations they dread having with their pets. Written in a simple Q&A format, *How to Talk to Your Cat About Gun Safety* answers crucial questions such as, "What is the right age to talk to my cat about the proper use of firearms?" and "What are the benefits of my cat living a lifestyle of abstinence?" and especially "Why does my cat need to use the internet? Can't he just play with yarn like cats used to do?" Our country—and our cats—stand at a precipice. It will take courage, and it will take hard work, but armed with the knowledge within these pages, we can make our cats—and America—great again! A New York Times bestseller? Oh, you know the dogs weren't going to let the cats get away with that!
