

My First Things That Go Let's Get Moving

Vroom! Vroom! Help these lovable characters teach your child all about things that go in this new book from Sesame Street's My First 101 Things series! Children are always moving and love learning about things that go. With the help of Elmo, Big Bird, and other classic Sesame Street characters, you and your child will enjoy learning about 101 different things that go, from engine-run cars and trains to more unique hot air balloons and gondolas, in My First 101 Things That Go! Throughout the book, Elmo, Big Bird, Bert, Ernie, and even more of your favorite Sesame Street characters pop up to ask fun and simple questions about these things that go that will help get your child thinking about patterns and making connections to the world around them. Children are asked questions that test their knowledge of numbers, colors, patterns, and critical thinking. All the while, they just think they ' re looking at fun pictures of their favorite vehicles! Cars, trains, and other modes of transportation are always subjects that children love to read and learn about. This love of engines will have your child eager to open a book, boosted by the assistance of some of your child ' s favorite television characters. Filled with bright, full-color photographs, My First 101 Things That Go will have your child excited to learn about all sorts of vehicles and contraptions that go, go, go, just like they do!

Little children need to learn a huge amount of vocabulary before they start to read, and one of the best ways to help them is to share books with them. This book is a perfect vocabulary builder, with over a hundred words, each with a picture. Simply point to a picture and say the word and your child will soon be picking up new words.

Introduces trucks, diggers, and other construction and excavation vehicles, including dump trucks, bulldozers, logging trucks, and steamrollers.

A first novelty board book about vehicles, with push, pull, and turning mechanisms.Explore the busy town, bustling seaside, and look up in the air in First Explorers: Things That Go. Spot cars, boats, and fire engines, as well as lots of other things that go all around us.Each scene has chunky push, pull, and slide mechanisms perfect for little hands, and vehicles to spot with fun facts about them. Beautifully illustrated by Christiane Engel, this title provides gentle early learning and is a wonderful introduction to modes of transportation for small children.

The Book in the Dresser
Brian Lee MillerThe Midwesterner boy had a blessed upbringing hunting, fishing, working, and playing in rural and urban settings. As a presumed misfit he struggled with color blindness, speech disorders, and life's decisions. Portrayed is a teenager who had an encounter with Muhammad Ali, and as a young man lived homeless in his truck while purchasing his first house at eighteen years-old. The blue collar worker crashed a racecar, confronted three near-death situations, and eluded being paralyzed in a fluke accident. Later in life, he competed on a college football team and received an elementary school teaching degree. The wannabe adventurer encountered a WWII German soldier, dwelled among the descendants of the Apache Chief, Geronimo, and slept through a tornado.After ending a twenty-four year marriage, he suffered through depression and suicidal thoughts. The chronicle closes with happiness rediscovered through Jesus, forgiveness, fireflies, marathons, grandchildren, and daydreams of future adventures.

Text and photographs depict various forms of transportation, such as boats, trucks, planes, and spaceships.

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

Bored, single and without a care in the world, Cindy Parsons spends her days illustrating pictures and comics for her clients, yet she dreams of something more. In her life, she always wanted to be a detective, but unfortunately, she didn't really have the chops. Forced to the sidelines due to her own inability to pass a police exam, Cindy spends her days drawing and watching detective shows. Then...one day she receives an email, it's strange and short. "It was him all along. He's going to kill you too, I hope I'm not too late." Such an email, Cindy quickly finds, was not meant for her at all! Can she find out who the email was meant for before it was too late?Join Cindy Parsons on her first exciting adventure as an amateur detective. With no training except for the copious hours of police dramas that she watched, follow her as she looks to crack the case of a lifetime. She'll face many challenges in her quest to find out the truth of the mysterious email, the police, her own fears and a complex web of mystery that will take her further than she had ever gone before. Can she solve the case, avoid getting thrown in jail for meddling and overcome her own naivet  in order to find out the truth of the email that was sent to the wrong person!

Fourteen-year-old Kathleen is walking home from a concert on a dark Liverpool night in 1974 when she's violently raped. The attacker, unimaginably, is her trusted parish priest. Terrified, Kathleen never tells her pious Catholic mother, and when she discovers she is pregnant, she pays a terrible price for her silence. Her mother believes Kathleen to be a fallen child and sends her to have her ill-begotten baby in Ireland. Kathleen toils in a notorious Magdalene Laundry, where heartless nuns dole out merciless penance on shamed girls. Kathleen never recovers from her trauma, and years later she's become the overprotective, paranoid mother of a second child. Meanwhile, Faye, a widowed mother of three worries about her teenage son, Tim. He's increasingly withdrawn, but when several parcels are mysteriously delivered the shocking truth about what is going on in his life is slowly revealed. She turns to an old flame believing he is at the root of Tim's problems and as the couple rekindles their love, Tim's troubles deepen. Faye pours out her sorrows in letters to a friend, and slowly, shocking family secrets and interwoven relationships reveal themselves. As it turns out, Kathleen isn't the only fallen one in this story of love, forgiveness, and powerful family ties. Every Family Has One is the anticipated sequel to The Catholic Woman's Dying Wish. It can be read as a stand-alone sequel.

Megan Whitaker desperately wants to forget what the Malone brothers have done to her over the past two years – the haunting images and sensations still plaguing her thoughts and dreams – but she can’t. Charles may be dead, but Zander isn’t. I’ll bring you back to me. She wants to believe she’s safe with Nick in their secluded new home, but it doesn’t keep her from looking over her shoulder, jumping over unexpected sounds, carrying a concealed weapon or even preparing for the worst. Because she fears the time is near. Nick Ellis has seen a change in his long, lost love. Battered emotionally and physically, Megan spends her days at self-defense classes and researching things that’ll never allow her to let go of the past. And he feels guilty even wanting her to, because he knows that heathen will return, it’s only a matter of time. And when he does, Nick knows he will do everything possible to save her, even if it means taking another shot to the heart. But for Megan, there is no escaping the world of sex trafficking, nor the band of men who continually aid one another to keep it thriving. And as her nightmarish world encroaches on reality, Megan soon realizes there are far worse evils to fear than the sadistic man who haunts her dreams. New Adult Romantic Suspense / Dark Realistic Fiction Recommended for 17+ for mature and disturbing situations, language and sexual content.

Sy Middleton, a teenager living in Manhattan, enters a secret world when he is initiated into Earth-tribe and becomes a Triber. In the Middle Realm, Tribers from Earth-, Fire-, Air- and Water-tribe train to enhance their powers and compete in monthly Lunar Festivals. The Zodiac Council has protected the Lower and Middle Realms from the Darkforce for thousands of years, but the balance of power has shifted, placing humanity at risk. The Darkforce has stolen the Book of Dreams. Sy and his friend Joshua Ryderson embark on a quest to find it...

This book restores to us an understanding that was once settled in the "moral sciences": that there are propositions, in morals and law, which are not only true but which cannot be otherwise. It was understood in the past that, in morals or in mathematics, our knowledge begins with certain axioms that must hold true of necessity; that the principles drawn from these axioms hold true universally, unaffected by variations in local "cultures"; and that the presence of these axioms makes it possible to have, in the domain of morals, some right answers. Hadley Arkes restates the grounds of that older understanding and unfolds its implications for the most vexing political problems of our day. The author turns first to the classic debate between Abraham Lincoln and Stephen Douglas. After establishing the groundwork and properties of moral propositions, he traces their application in such issues as selective conscientious objection, justifications for war, the war in Vietnam, a nation's obligation to intervene abroad, the notion of supererogatory acts, the claims of "privacy," and the problem of abortion.

Who says having all your dreams come true is a good thing?Serenity Winters is taking the summer off. After her last year included crushing on the wrong guy (again), having her best friend move all the way across the country, and an unexpected loss she's still not prepared to deal with, she deserves it. And a visit to see Maia in California seems the perfect getaway. Beaches, bonfires and boys? Yes please!But Rennie's dreams aren't so easy to elude. Sketching what she can remember of them helps some, but her drawings are taking on a life of their own and the dreams they represent are starting to come true.Enter Alex, who may or may not be perfect. (No, who is she kidding? He's perfect. Great hair, plus he can quote Hamlet and Yoda? Come on!) But Alex has secrets of his own, namely a hidden ability to transport himself through time using a book as a portal. Could it be that both Rennie and Alex are being drawn in to the same mystery? They better find out quickly, because her dreams are getting louder. And they know her by name.

When Edy Phelps falls hard for her best friend, she knows nothing can come from it. Forget actual chemistry, or the fact that she cherishes his mother more than her own; centuries of tradition say that Hassan Pradhan will grow up, marry the girl his parents select, and think nothing of his best friend: the dancer with the bursting smile. Except he can't. He won't. In a world erupting with possibilities for the boy with a body of steel and dreams of the NFL, everything seems promised while nothing at all is; when he's denied the girl he wants most. Two hearts. Two families devoted through generations of friendship. Could Edy and Hassan really risk all that? And yet ... how could they not?
