*Il detective Orlando Trovatelli ama le punizioni quando si tratta di questioni di cuore e nemmeno il suo istinto di mutaforma può tenerlo sulla retta via. È già abbastanza brutto che provi qualcosa per la Regina Vampira, che è accoppiata a uno dei più potenti maschi del Regno di Tehrex, ma poi si innamora di Jaidis, una mutante accoppiata. Si aggrappa alla patetica scusa che la compagna di Jaidis abusa di lei e alla fine la Dea riconsidererà il tutto e darà Jaidis a Orlando. Scoprirà quanto si sbaglia la notte in cui arriva a casa di Jaidis e la trova sdraiata in una pozza del suo stesso sangue mentre lotta per salvare il suo bambino non ancora nato. Orlando è pronto a muovere cielo e terra per salvare la vita di Jaidis, ma alla fine tutto ciò che può garantire a Jaidis è che proteggerà il figlio non ancora nato. Lottando con le sue forze, Orlando non è pronto ad affrontare le conseguenze dei nuovi arcidemoni. Con il suo Omega da un lato della barricata e Zander dall'altro, Orlando è costretto a scegliere tra la sua fedeltà ai Guerrieri Oscuri e la rivelazione della loro esistenza agli umani. Dopo tutto quello che Orlando ha passato, si interroga sulla Dea e si chiede se la sua fede in lei sia stata vana.*

*The most important tenet of being a Dark Warrior is to uphold the law and order of the Tehrex Realm, but one look at an Angel's Kiss victim and Santiago breaks every rule. Thumbing his nose at the Vampire King and his life at Zeum, Santiago is shocked when his Omega refuses him sanctuary within the pack. Facing life as a lone wolf doesn't deter Santiago from his mission as he continues to fight evil and put an end to the destructive drug taking over the realm. He is forced to evaluate his principles when he discovers the assassin hired to kill him is his Fated Mate. Will the domino effect of killing his mate's brother threaten not only his position as a Dark Warrior, but her trust and love? Tori's human life ended centuries before when Freya found her dying on a battlefield. She's never fit in with the other Valkyrie and looks forward to fulfilling the required time with the Assassin's Guild so she can pursue her true passion of painting. What she plans as her last job is enticing for two reasons...the high dollar figure attached and the fact that the mark is her brother's killer. Tori curses fate when her hatred for Santiago is outweighed by her attraction. Determined to find the proof necessary to condemn Santiago, she isn't prepared when it backfires and her morals and beliefs are called into question.*

*Isis Rowan est la soeur moyenne enflammée des triplés de sorcières prophétisés, et quand elle découvre que la grande prêtresse Célé a non seulement tenté de tuer sa sœur, mais qu'elle pratique également la magie noire et commet des actes atroces pour gagner du pouvoir, elle est prête à couper quelques têtes. Pour aggraver les choses, Cele a également ciblé le magnifique et sexy hybride démon de sexe humain Braeden, qui se trouve également être son compagnon de destin. Isis est prête à lui botter le cul, jusqu'à ce qu'elle se rende compte que Braeden n'est pas tout ce qu'il semble. Une fois qu'elle a découvert la vérité, c'est une guerre totale, et même si elle n'a aucun problème à laisser son tempérament destructeur règne, elle doit canaliser sa colère pour contrecarrer Cele et sauver ceux qu'elle aime. La déesse aide la méchante grande prêtresse quand Isis la rattrape enfin. Braeden Hall, un cambion qui a besoin de sexe pour survivre, se retrouve dans une situation impossible lorsque son fils est kidnappé par une grande prêtresse folle et retenu captif. Pour le libérer, Braeden pense qu'il lui a été confié une tâche simple de collecter des informations sur une femme sexy jusqu'à ce que la sorcière qu'il manipule finisse par être la seule femme destinée à lui, son compagnon de destin. Il est finalement obligé de choisir entre aimer Isis et protéger son fils. Il ne veut rien d'autre que réclamer Isis pour l'éternité, mais cela signifie que son fils mourra. L'équilibre précaire avec lequel vivent tous les cambions est menacé, et il craint de devenir un démon sexuel à part entière qui violera et pillera sans réfléchir. Sera-t-il capable de surmonter le tempérament infâme d'Isis et de la convaincre non seulement de devenir son alliée, mais finalement, son compagnon? PUBLISHER: TEKTIME*

Cercando la guida della Dea, Elsie e Zander scoprono che l'unico modo per proteggere il loro fragile bambino è evocare un Angelo Custode. Suvi is the youngest of the Rowan triplets and prefers high heels to combat boots and parties to battles. Unfortunately, lately, she finds herself fighting more than she does drinking martinis. If she isn't rebuilding the business she shares with her sisters, she's searching for their archenemy, Cele. The way Suvi sees it, they've done their part and it's time for a celebration, but that isn't in the cards for her. The moment she has dreamt of her entire life happens when she meets her Fated Mate, yet she isn't able to plan the party of the century. Instead, she and her sisters have seventy-two hours to investigate a murder, locate a rogue vampire, stop an evil witch from stealing their powers and save her mate from a death sentence. She wants nothing more than to spend her days and nights in sensual oblivion with her vampire, but the clock is ticking. Caine DuBray's world is upended when he wakes up next to a human female that has been drained dry. As the only vampire on scene, her death is immediately pinned on him. He believes he is innocent, but the problem is that he can't recall the details of their date. Rather than executing him immediately, the Vampire King takes pity on him and gives him three days to prove his innocence. He discovers that one of the witches he is directed to is his Fated Mate. Their passion sets him on fire and leaves him desperate for the chance to spend eternity with the sexy witch.

De todos los Guerreros Oscuros, Kyran Tarakesh es el más aberrante. Habiendo presenciado el brutal asesinato y la violación de su madre hace siete siglos, sus preferencias sexuales son retorcidas y perversas. Camina por el filo del control y le gusta de esa manera, hasta que pierde el equilibrio y mata accidentalmente a una de sus amantes. Como segundo en la línea del trono Vampiro, está muy cerca de perder su posición, sin mencionar el respeto de su hermano y sus compañeros guerreros. Justo cuando piensa que no puede empeorar, la Diosa demuestra que está equivocado. Con su malvado sentido del humor, la Diosa lo catapulta al reino de los dragones de Khoth con Mackendra Callaghan, la muy humana a la que ha estado deseando durante meses desde que la conoció. Mackendra no solo hunde un cuchillo en su corazón, sino que huye y lucha contra él a cada paso, inflamando sus deseos. Las sorpresas siguen llegando cuando descubre que ella es su compañera predestinada. Cada creencia que ha tenido sobre la intimidad se pone en tela de juicio cuando su pareja le prueba por primera vez el verdadero placer. La pasión que arde entre ellos es lo suficientemente caliente como para quemarlos, pero él todavía debe disipar sus prejuicios sobre los vampiros y romper sus barreras o perder la otra mitad de su alma para siempre. Mackendra es la lidereza de un grupo de vigilantes que caza y mata vampiros. El sarcasmo, el sarcullido y las armas de titanio son las herramientas de su oficio, y han protegido su corazón endurecido. Cuando es rescatada de su casa en llamas por un extraño sexy, es impulsada a un mundo desconocido. Su salvador resulta ser un vampiro aparte de todas las cosas, y no le gusta estar atrapada con el chupasangre, y mucho menos formar equipo con él para regresar a la tierra. Ella puede manejar su intensa atracción sexual hacia él, pero se aterroriza cuando se convierte en un vínculo emocional. Su mayor problema es que no sabe cómo dejar su pasado para aceptar su futuro. ¿Rescatará al chupasangre que lentamente está ganando su corazón o se aferrará a su misión de eliminar a todos los vampiros? *Ho recentemente scoperto che ho sono Re dei Fae, creduto morto in passato. Eppure non è tutto incoronazioni e rivoluzione come speravo. La Bramble's Edge Academy è stata fondata per insegnare ai Fae come controllare e gestire il loro potere elementare. Ho completato solamente uno dei tre anni. Non ho acquisito il potere necessario. Sono più potente di quanto mi aspettassi, e non ho idea di come utilizzare le mie forze, figuriamoci se so come eliminare i responsabili della morte dei miei genitori prima che loro facciano lo stesso con me. Gira voce che il Re sia ritornato, e i miei amici tentano di mascherare la mia identità. Mi fa imbestialire chi ha distrutto la società dei Fae, e coloro che amo si trovano fra i due fuochi. Maurette e Brokk finiscono per bruciarsi. Che mi piaccia o no devo assumermi rischi enormi per salvare i miei cari ed avere la possibilità di liberare il resto del reame. Il tempo scorre, non ne resta molto altro.*

*The first book in the classic vigilante action series from a "writer who spawned a genre" (The New York Times). Overseas, Mack Bolan was dubbed "Sgt. Mercy" for the compassion he showed the innocent. On the home front, they're calling him the Executioner for what he's doing to the guilty. In the jungles of Southeast Asia, American sniper Mack Bolan honed his skills. After twelve years, with ninety-five confirmed hits, he returns home to Massachusetts. But it's not to reunite with his family, it's to bury them—victims in a mass murder/suicide. Even though Bolan's own father pulled the trigger, he knows the old man was no killer. He was driven to madness by Mafia thugs who have turned his idyllic hometown into a new kind of war zone. Duty calls . . . Introducing an action hero "who would make Jack Reacher think twice," this is the first book in the iconic series of vigilante justice that has become a publishing phenomenon (Empireonline.com). With more than two hundred million Executioner books sold since its debut, the series continues to stimulate. Gerry Conway, cocreator of Marvel Comics' The Punisher, credits the Executioner as "my inspiration . . . that's what gave me the idea for the lone, slightly psychotic avenger." The series is also now in development as a major motion picture. War Against the Mafia is the 1st book in the Executioner series, but you may enjoy reading the series in any order.*

Il principio più importante dell'essere un Guerriero Oscuro è quello di sostenere la legge e l'ordine del Regno di Tehrex, ma uno sguardo a Santiago, vittima del Bacio dell'Angelo e Santiago infrange ogni regola. Infastidendo il Re dei Vampiri e la sua vita a Zeum, Santiago rimane scioccato quando il suo Omega gli rifiuta il rifugio all'interno del branco. Affrontare la vita da lupo solitario non distoglie Santiago dalla sua missione mentre continua a combattere il male e a porre fine alla droga distruttiva che si impadronisce del regno. È costretto a valutare i suoi pro e contro quando scopre che l'assassino assunto per ucciderlo è la sua compagna di destino. L'effetto domino dell'uccisione del fratello della sua compagna minaccerà non solo la sua posizione di Guerriero Oscuro, ma anche la sua fiducia e il suo amore? La vita umana di Tori è finita secoli prima quando Freya la trovò morente su un campo di battaglia. Non si è mai adattata all'altra Valchiria e non vede l'ora di trascorrere il tempo necessario con la Gilda degli Assassini per perseguire la sua vera passione per la pittura. Quello che progetta come suo ultimo lavoro è a portata di mano per due motivi... la cifra esorbitante del suo compenso e il fatto che il bersaglio è l'assassino di suo fratello. Tori maledice il destino quando l'odio per Santiago è superato dalla sua attrazione. Determinata a trovare le prove necessarie per condannare Santiago, non è preparata quando questo le si ritorce contro e la sua morale e le sue convinzioni sono messe in discussione.
