The New Living Translation is an authoritative version of Scripture, rendered faithfully into today's English. This translation renders words and phrases as simply and literally as possible, while adopting a more dynamic approach when the literal English equivalent would be too archaic for readers to fully understand. This edition for children is beautifully illustrated.

The NIV, The Illustrated Holy Bible for Kids is a stepping-stone Bible for kids ages 4-8 that help children move from a paraphrased story Bible to a full-text Bible. Filled with colorful spot art and readable fonts, this Bible will not only motivate young readers to explore God's Word, but also help them better understand God's promises for them.

Named a Most Anticipated Book of 2020 by Apple Books, Literary Hub, The Millions, and The Week An indelible novel of teenage alienation and adult complacency in an unraveling world. Pulitzer Prize finalist Lydia Millet's sublime new novel—her first since the National Book Award long-listed Sweet Lamb of Heaven—follows a group of twelve eerily mature children on a forced vacation with their families at a sprawling lakeside mansion. Contemptuous of their parents, who pass their days in a stupor of liquor, drugs, and sex, the children feel neglected and suffocated at the same time. When a destructive storm descends on the summer estate, the group's ringleaders—including Eve, who narrates the story—decide to run away, leading the younger ones on a dangerous foray into the apocalyptic chaos outside. As the scenes of devastation begin to mimic events in the dog-eared picture Bible carried around by her beloved little brother, Eve devotes herself to keeping him safe from harm. A Children's Bible is a prophetic, heartbreaking story of generational divide—and a haunting vision of what awaits us on the far side of Revelation.

More about the translation: This revised and updated edition of the NIV includes three main types of change, taking into account changes in the way we use language day to day; advances in biblical scholarship and understanding; and the need to ensure that gender accurate language is used, to faithfully reflect whether men and women are referred to in each instance. The translators have carefully assessed a huge body of scholarship, as well as inviting peer submissions, in order to review every word of the existing NIV to ensure it remains as clear and relevant today as when it was first published. These auras tell Tad whether a person is good or evil. At night, Tad dreams about the evil-doers, reliving their crimes in horrifyingly vivid detail. But Tad doesn't know if the evil acts he witnesses in his nightmares are happening now, are already over, or are going to occur in the future. He has no control over the horrifying visions. He has been told (by his parents) never to speak of his power. All Tad knows is that he wants to protect those he loves. And he wants the bad dreams to stop.

Desmond Tutu retells more than fifty of his most beloved Bible stories, artfully highlighting God's desire for all people to love one another and to find peace and forgiveness in their hearts. Many of the finest artists from around the world—such as Jago, E.B. Lewis, Javaka Steptoe, and Xiao Xin—have been selected to illustrate the stories, portraying the stories with the style and richness of their own culture. Creating the first truly global Bible for children, their stunning full color illustrations allow readers to experience the Bible stories as if they were there—with Adam and Eve in the garden, with Noah on the ark, with Abraham in the desert, and with Jesus on the mountaintop. Every story shows how God works through history and ends with a short prayer, which personalizes the message for each reader's own life. Archbishop Tutu's wisdom, compassion, and sense of humor shine throughout as he reminds us that, "We are all God's children." Author, civil rights activist, and APARTHEID opponent Archbishop Desmond Tutu was awarded the Nobel Peace Prize in 1984 for his lifelong struggle to bring equality, justice, and peace to his native country of South Africa. As Desmond Tutu quotes: "In the spirit of celebrating children all over the world, each illustrator in this book has been invited to draw on their own unique and rich cultural heritage in their portrayal of these Biblical stories. Their art is truly a marvelous reflection of how we are all made in God's image."
