He could just feel the magic sink into his skin and spread itself over every inch of him, bubbling and slithering and cutting deep, until he didn't know where the magic stopped and he began." When Ned and his identical twin brother tumble from their raft into a raging, bewitched river, only Ned survives. Villagers are convinced the wrong boy lived. Sure enough, Ned grows up weak and slow, and stays as much as possible within the safe boundaries of his family's cottage and yard. But when a Bandit King comes to steal the magic that Ned's mother, a witch, is meant to protect, it's Ned who safeguards the magic and summons the strength to protect his family and community. In the meantime, in another kingdom across the forest that borders Ned's village lives Aine, the resourceful and pragmatic daughter of the Bandit King. She is haunted by her mother's last words to her: "The wrong boy will save your life and you will save his." But when Aine and Ned's paths cross, can they trust each other long enough to make their way through the treacherous woods and stop the war about to boil over? With a deft hand, acclaimed author Kelly Barnhill takes classic fairy tale elements—speaking stones, a friendly wolf, and a spoiled young king—and weaves them into a richly detailed narrative that explores good and evil, love and hate, magic, and the power of friendship.

The Black Book granted them that power. Harnessing that power feels good, especially when everything in their lives makes them feel powerless. During a spell gone wrong, Liss's boyfriend is snatched away by an evil entity and presumed dead. Dan and Liss's friendship dies that night... too. How can they practice magic after the darkness that they conjured? Months later, Liss discovers that her boyfriend is alive, trapped underground in the grips of an ancient force. She must save him, and she needs Dan and the power of The Black Book to do so. Dan is quickly sucked back into Liss's orbit and pushes away her best friend, Alexa. But Alexa has some big secrets she's hiding and her own unique magical disaster to deal with. When their peerless disappears, the girls know it's no coincidence. What greedy magic have they awakened? And what does it want with these teens it has stolen? Set in the atmospheric wilds of California's northern coast, Sasha Lauren's thrilling debut novel is about the complications of friendship.

"...Lush, delicious, bewitching. And darkly magical. Popovic has created a world that you tumble into from the very first words and wish you could stay in forever." —Evelyn Skye, author of The Crown's Game "Wicked Like a Wildfire was like devouring a succulent fairy fruit—it'll rob your time, settle into your dreams, and leave you starving for more." —Roshani Chokshi, New York Times bestselling author of The Star-Touched Queen Fans of Holly Black and Leigh Bardugo will be bewitched by Lana Popovic's debut YA fantasy novel about a bargain that binds the fates—and hearts—of twin sisters to a force larger than life. All the women in Iris and Malina 's family have the unique magical ability or "gleam" to manipulate beauty. Iris sees flowers as fractals and turns her kaleidoscope visions into glasswork, while Malina interprets moods as music. But their mother has strict rules to keep their gifts a secret, even in their secluded sea-side town. Iris and Malina are not allowed to share their magic with anyone, and above all, they are forbidden from falling in love. But when their mother is mysteriously attacked, the sisters will have to unearth the truth behind the quiet lives their mother has built for them. They will discover a wicked curse that haunts their family line—but will they find that the very magic that bonds them together is destined to tear them apart forever? Wicked Like a Wildfire is the first in a two-book series. Readers will be rapt with anticipation for the sequel.

Some will try to trap her in hopes of harnessing her dark power. Others will seek to end her, deeming it too terrible to risk. And she, she will destroy them all—because Quinn is his weapon, and he plans to keep it that way. Lazarus was warned that Quinn's power might be too great, even for him, but nothing prepared him for the truth of it until she held a dagger over him, and he was powerless to stop it. Now at odds with himself, the future king of Norcastra must find a way to regain control of his house and secure an alliance with the Pirate Queen...before fate tips its hand once more, and his carefully laid plans are led astray. Quinn's loyalty is not easily won, but Lazarus has managed to do it. Now the vassal and right-hand of Lord Fierd, Quinn seeks to gain him an alliance with Ivas all the while challenging him at every turn. With the Cisaan tribes won over, and the blood heirs behind them, Quinn expects this to be an easy task, but soon finds herself entangled in a web of lies. Forced to gamble with her life—and the lives of her comrades—Quinn must make a choice that will either save or doom them all.

Two boys' lives are changed forever when a sinister travelling carnival stops at their Illinois town.

The chilling narrator of The Wicked City brings her mesmerizing voice and indomitable spirit to another Jazz Age tale of rumrunners, double crosses, and true love, spanning the Eastern seaboard from Florida to Long Island to Halifax, Nova Scotia. 1924. Ginger Kelly wakes up in tranquil Cocoa Beach, Florida, having fled south to safety in the company of disgraced Prohibition agent Oliver Anson Marshall and her newly-orphaned young sister, Patsy. But paradise is short-lived. Marshall is reinstated to the agency with suspicious haste and put to work patrolling for rumrunners on the high seas, from which he promptly disappears. Gin hurries north to rescue him, only to be trapped in an anguizing moral quandary by Marshall 's desperate mother. 1998. Ella Dummerich has finally settled in her new life in Greenwich Village, inside the same apartment where a certain redheaded flapper lived long ago...and continues to feel her presence known. Having quit her ethically problematic job at an accounting firm, out ties with her unfaithful ex-husband, and begun an epic love affair with Hector, her musician neighbor, Ella 's eager to piece together the history of the mysterious Gin Kelly, whose only physical trace is a series of rare vintage photograph cards for which she modeled before she disappeared. Two women, two generations, two urgent quests. But as Ginger and Ella track down their separate quarries with increasing desperation, the mysteries consuming them take on unsettling echoes of each other, and both women will require all their strength and ingenuity to outwit a conspiracy spanning decades.
