Grief with Ease Summary By Anthony Vallez My life was never an Easy Peasy cakewalk, in fact I encountered many hard times and went through countless phases and types of grief even though I did not recognize it at the time. Well, now I do and I want you to as well. Grief comes in many forms and various phases in your life. From grieving over a breakup to grieving the loss of a loved one, you've all been through it! Personally I loved change, but when changes in life didnt meet with my expectations I fell into a form of grief that I did not yet recognize, nor did I understand. I thought I was depressed but actually I was experiencing grief. The two are easily misunderstood and often confused with one another. This book and the exercises in it are in tuned to help foster a deeper understanding and ability to recognize grief, in healthy ways to deal with it. From this book, my hope is that you to gain the ability to recognize various types of grief; how they impact your life, and how to cope with grief on a much gentler level. Grief requires the acceptance of change and the resistance of change only induces pain and suffering, when grief is chosen. If you allow change and chose to be happy, then you ultimately contribute to grief with ease. If you instead avoid grief, you then avoid life. You must understand your grief to understand yourselves and enjoy life. ~ Anthony I. Vallez

'There is a dreamer in every soul. He knows the mind of God concerning our lives. He is the hand of God that writes our lives stories. What is your life story? Do you know the script you ought to play? There is a story teller in your heart. He whispers at night in your deep sleep. He will tell you the secret to the dream of your life. Can you see him while you are awake? Can you hear him in your intuition? He walks in your soul day and night. He never ceases to ask you the same question: 'Where is the Soul I have been sent to help?' In Secrets to Divine Manifestations, Alain Yaovi M. Dagba guides the reader in a spiritual adventure that leads to self-awareness. He emphasized that to be aware of our 'self' is to be aware of the presence of God in us, and fully accept our true divine identity. He shows in his writing that, by simply uncovering what we really are, we are able to overcome anything, any form of 'evil,' even the most predicted threatening events of our time. His teachings are centered on the belief that, by learning to easily tap into the life of our divine nature, we can change our consciousness, thus positively affect the vibration of our planet, while reaching perfect peace and happiness. In this noble adventure of discovering the divinity in the core of our being, we come to know our individual life purpose and are healed from our past wounds. In a word, we are born anew to become a fragrance of hope for our loved ones and those around us.

The Christian-the believer-the inheritor of the nature of God is shortchanged by the myriads of factors plaguing the world around them. This is not because he/she is deficient of the essence of divinity, no, but because he/she lacks the needed knowledge by choice or by ignorance to surmount them. God sees beyond the thick walls, beyond the dark nights, beyond the tempest, and beyond the emptiness of all forms of obstacles that scare your upward movement toward him. For you to function like God, you must be a carrier of His power, and this you already have. How to unleash the power of God in you is the focus of the Holy Spirit in this book. Walking in Divine Power is the Spirit manual for dominion and authority.

Also, give yourself permission to digest and experience a full range of emotions, feelings, and thoughts. Take your time, because your life is too important to be examined quickly. This book teaches a special meditation called White Light Meditation. Powerful, short and simple, this meditation is practical in that it takes only ten to fifteen minutes a day, and unique in that it helps manifest our dreams and aspirations by empowering our thoughts, stimulating analytical thinking, magnifying and expressing our dormant capabilities, and attracting the necessary resources from known and unknown directions. The book is equally helpful for beginners, who do not know how to meditate, as well as for those who practice meditation regularly. 'White Light' is a high frequency cosmic energy that is invisible, omnipresent and accessible to everyone, although we might be unaware of its presence. White Light Meditation does not need initiation or expert supervision. You can access the White Light simply by 'intending' that it come to you. Its regular practice infuses divine manifesting power into the subtle energies of our thoughts and wishes, thus triggering a positive chain of events, and steering us on to reaching the desired goal(s). Owing to its open approach, White Light Meditation happens spontaneously irrespective of whether one is by nature spiritual or not. A ten to fifteen minute daily meditation routine is what is needed to continue the process of transformation with the White Light. The author, Reiki Master Teacher Sunetra Basu, teaches Usui Shiki Ryoho (Reiki) and serves as a Spiritual Healing Channel. For over a decade, she has been meditating with the White Light manifesting positive results for her clientele and students. In this book she shares the sacred knowledge of White Light Meditation and wishes that all her readers would learn it from the step-by-step simple instructions. A daily practice of White Light Meditation empowers you to bring desired changes in your life.

"Why do I always see the numbers 444 (or 111, 333, etc.) everywhere I go?" is one of the most frequently asked questions that Doreen Virtue receives at her worldwide workshops. Whether you 're seeing these numbers on license plates, telephone numbers, the clock, or other locations, they 're very real messages from the angels.
