boost your vocabulary.

This American English edition of English Grammar in Use can be used both as a classroom text and as a grammar reference for students. Each unit deals with a particular grammar point (or points), providing clear explanations and examples on the left-hand page, with exercises to check understanding on the facing right-hand page. The book covers many of the problems intermediate students of American English encounter, including tense usage, modals, conditionals, the subjunctive and prepositions. A separate answer key is available for self-study, individual work in the language laboratory and as an easy reference for teachers.
