Mia Thermopolis, Princess of Genovia and star of Meg Cabot's insanely popular #1 New York Times bestselling Princess Diaries books, has "penned" her first historical romance novel . . . with help from Meg Cabot He's a tall, handsome knight with a secret. She's an adventurous beauty with more than a few secrets of her own. Finnula needs money for her sister's dowry, and fast. Hugo Fitzstephen, returning home to England from the Crusades with saddlebags of jewels, has money, and lots of it. What could be simpler than to kidnap him and hold him for ransom? Well, for starters, Finnula could make the terrible mistake of falling in love with her hostage. Princess Mia Thermopolis, Meg Cabot's most beloved character, has always been an outspoken animal-rights activist and committed environmentalist. In

keeping with Mia's true spirit, Meg will be donating her advance to Greenpeace.

There's a whole new set of rules to learn when you're the new girl! When you are starting at a brand-new school, you have to wear something good. Allie Finkle's starting her first day of school at Pine Heights Elementary! Plus, she's getting a new kitten, the first pick of show cat Lady Serena Archibald's litter! But being the New Girl is turning out to be scary, too, especially since one of the girls in Allie's new class -- Rosemary -- doesn't like her. In fact, Rosemary says she's going to beat Allie up after school.

Now includes a bonus excerpt from Meg Cabot's new Heather Wells novel, Size 12 and Ready to Rock, available wherever books are sold July 10. Heather Wells Rocks! Or, at least, she did. That was before she left the pop-idol life behind after she gained a dress size or two—and lost a boyfriend, a recording contract, and her life savings (when Mom took the money and ran off to Argentina). Now that the glamour and glory days of endless mall appearances are in the past, Heather's perfectly happy with her new size 12 shape (the average for the American woman!) and her new job as an assistant dorm director at one of New York's top colleges. That is, until the dead body of a female student from Heather's residence hall is discovered at the bottom of an elevator shaft. The cops and the college president are ready to chalk the death off as an accident, the result of reckless youthful mischief. But Heather knows teenage girls . . . and girls do not elevator surf. Yet no one wants to listen—not the police, her colleagues, or the P.I. who owns the brownstone where she lives—even when more

File Type PDF Being Nikki Airhead 2 Meg Cabot Jinzhuore

students start turning up dead in equally ordinary and subtly sinister ways. So Heather makes the decision to take on yet another new career: as spunky girl detective! But her new job comes with few benefits, no cheering crowds, and lots of liabilities, some of them potentially fatal. And nothing ticks off a killer more than a portly ex-pop star who's sticking her nose where it doesn't belong . . .

Katie Ellison is not a liar. It's just that telling the truth is so . . . tricky. She knows she shouldn't be making out with a drama club hottie behind her football-player boyfriend's back. She should probably admit that she can't stand eating quahogs (clams), especially since she's running for Quahog Princess in her hometown's annual Quahog Festival. And it would be a relief to finally tell someone what really happened the night Tommy Sullivan is a freak was spray-painted on the new wall outside the junior high school gymnasium—in neon orange, which still hasn't been sandblasted off. After all, everyone knows that's what drove Tommy out of town four years ago. But now Tommy Sullivan has come back. Katie is sure he's out for revenge, and she'll do anything to hang on to her perfect (if slightly dishonest) existence. Even if it means telling more lies than ever. Even if, now that Tommy's around, she's actually—no lie—having the time of her life.

world of high fashion? What will happen if she can't? Girl, Interrupted . . . as written by V. C. Andrews. Angela's parents think she's on the road to ruin because she's dating a "bad boy." After her behavior gets too much for them, they ship her off to Hidden Oak. Isolated and isolating, Hidden Oak promises to rehabilitate "dangerous girls." But as Angela gets drawn in further and further, she discovers that recovery is only on the agenda for the "better" girls. The other girls -- designated as "the purple thread" -- will instead be manipulated to become more and more dangerous . . . and more and more reliant on Hidden Oak's care.

Heather Wells is used to having her cake and eating it too, but this time her cake just might be cooked. Her wedding cake, that is. With her upcoming nuptials to PI Cooper Cartwright only weeks away, Heather's already stressed. And when a pretty junior turns up dead, Heather's sure things can't get worse—until every student in the dorm where she works is a possible suspect, and Heather's long-lost mother shows up. Heather has no time for a tearful mother and bride reunion. She has a wedding to pull off and a murder to solve. Instead of wedding bells, she might be hearing wedding bullets, but she's determined to bring the bad guys to justice if it's the last thing she does . . . and this time, it just might be. Meg Cabot expands her huge fan base with this slightly darker, more mysterious novel - without losing any of her signature heart and humor. EM WATTS IS GONE. Emerson Watts didn't even want

Where can you hide When everyone knows your name? The third and final book the NYT bestselling trilogy. live Stark Angel fashion show on New Year's Eve to look forward to, Em's reached the end of her rope. . . what's the point of even going on? But when she discovers the truth about Nikki's secret, she knows there's only one person she can turn to. After dallying with sexy vampires and ingeniously reinterpreting the Dracula legend (*Insatiable*, *Overbite*), #1 New York Times bestseller Meg Cabot is ready to rock 'n' roll once more with Heather Wells. The un-petite assistant New York City college dorm director and sometime sleuth is back in *Size 12 and Ready to Rock*—a delectable comedy mystery that proves once more that the much beloved author of *The Princess Diaries* rules in the realm of grown-up women's fiction as well. Heather's got her hands full when a pop star and her reality TV camera crew invade the dorm—bringing with them a summer camp-full of adoring teen admirers—only to have an inconvenient homicide spoil the fun. There's romance, treachery, merry mayhem and music—just the ticket for readers who like to rock out on the hip contemporary singleton fiction of Sophie Kinsella, Jennifer Weiner, and Jane Green.

Former pop star Heather Wells has settled nicely into her new life as assistant dorm director at New York College—a career that does not require her to drape her size 12 body in embarrassingly skimpy outfits. She can even cope (sort of) with her rocker ex-boyfriend's upcoming nuptials, which the press has dubbed *The Celebrity Wedding of the*

Decade. But she's definitely having a hard time dealing with the situation in the dormitory kitchen—where a cheerleader has lost her head on the first day of the semester. (Actually, her head is accounted for—it's her torso that's AWOL.)

Surrounded by hysterical students—with her ex-con father on her doorstep and her ex-love bombarding her with unwanted phone calls—Heather welcomes the opportunity to play detective . . . again. If it gets her mind off her personal problems—and teams her up again with the gorgeous P.I. who owns the brownstone where she lives—it's all good. But the murder trail is leading the average-sized amateur investigator into a shadowy world. And if she doesn't watch her step, Heather will soon be singing her swan song!

Daughters Rule Number Six: Never talk to the press about your parents. After leaking a story about the family business, impetuous high school freshman Carina Jurgensen is cut off by her billionaire father. Always resourceful, she fibs her way into a job as a party planner for New York's annual Silver Snowflake Ball. But when Carina finds out that the party committee expects favors and freebies from her dad's A-list connections, a choice must be made: Does she get real about her downgraded status, or pretend she's still the ultimate heiress? Best friends and fellow daughters of celebrities Lizzie Summers, Carina Jurgensen and Hudson Jones are back in Joanna Philbin's second stylish and heartfelt Daughters novel.

Sixteen-year-old Suze Simon can mediate between the living and the dead, and she hopes her move to California will be a fresh start, but a hot ghost named Jesse haunts her bedroom and another ghost is bent on vengeance at school.

Do you want to be popular? Everyone wants to be popular—or at least, Stephanie Landry does. Steph's been the least popular girl in her class since a certain cherry Super Big Gulp catastrophe five years earlier. Does being popular matter? It matters very much—to Steph. That's why this year, she has a plan to get in with the It Crowd in no time flat. She's got a secret weapon: an old book called—what else?—How to Be Popular. What does it take to be popular? All Steph has to do is follow the instructions in The Book, and soon she'll be partying with the It Crowd (including school quarterback Mark Finley) instead of sitting on The Hill Saturday nights, stargazing with her nerdy best pal Becca, and even nerdier Jason (now kind of hot, but still), whose passion for astronomy Steph once shared. Who needs red dwarves when you're invited to the hottest parties in town? But don't forget the most important thing about popularity! It's easy to become popular. What isn't so easy? Staying that way.

The Right Address sears through the upper crust of New York's glittering Park Avenue scene to dish the dirt on the ladies who lunch, the gents who club, and the desperate climbers who will stop at nothing to join the backstabbing, champagne-sipping, socialite-eat-socialite stratosphere. When Melanie Sartomsky, wily Floridian flight attendant, snares billionaire divorcée Arthur "the coffin king" Korn, she is catapulted into the crème de la crème of Park Avenue society, where hiring the wrong decorator is tantamount to social suicide, and where, if you're anyone, your personal assistant has a personal assistant. But Melanie quickly discovers that in the world of the rich and idle, malicious gossip is as de rigeur as owning twenty pairs of Manolo Blahniks. And despite her frenzied plunge into the charity circuit and the right dinner reservations, her neighbors are Givenchy-clad

vultures who see her as nothing more than a reinvented trailer trollop. To make matters worse, when a snide society-rag journalist rakes her over the coals, Melanie's reputation is toast. Meanwhile, Melanie is not the only billionaire in the neighborhood coming unhinged. Kleptomania, adultery, plagiarism, and a grisly Harlem sex murder are just a few of the secrets swirling under the pedigreed patina of furs and emeralds on Park Avenue. Authors Jill Kargman and Carrie Karasyov know a thing or two about their subject matter. Sixteen is the magic number Mia doesn't always have the best luck with parties, so even though it's her sweet sixteenth, she doesn't want a birthday bash. As usual, Grandmère has other ideas, and thinks a reality TV special is just the thing in order to celebrate royally. The whole scheme smacks of Lilly's doing -- Lilly, whose own TV show is still only limited to local cable viewers. Will Mia be able to stop Grandmère's plan? Will her friends ever forgive her if she does stop it, since it involves all of them taking the royal jet to Genovia for an extravaganza the likes of which would turn even Paris Hilton green with envy? Why can't Mia get what she really wants: an evening alone with Michael? With a little luck, this sweet sixteen princess might just get her wish -- a birthday that's royally romantic.

Princess Mia Thermopolis is introduced to her Genovian subjects, and more importantly, she goes out on a date with the newly appointed Royal Consort Michael Moscovitz. Reprint.

Soon Jinx realizes it isn't just bad luck she's been running from . . . and that the curse she has lived under since the day she was born may be the only thing that can save her life. Bridesmaid in Training is the second in the Notebooks of a Middle-School Princess, a funny, heart-warming illustrated Princess Diaries series by Meg Cabot. Olivia Grace Clarisse Mignonette Harrison still finds it hard to believe that she's a princess! Not only does she get to live in an actual palace with her newly discovered family and two fabulous poodles, but she also gets her very own pony! Of course, not everything is going exactly as she imagined . . . her half-sister, Mia, is very busy learning how to run the country while trying to plan a wedding, and her father is getting remarried himself - to Mia's mother! - and spends most of his time 'renovating' the summer palace, although Grandmère says he is just hiding from the wedding madness. Olivia hardly gets to see either of them. Fortunately Grandmère has her own plans for Mia's wedding, and needs Olivia's help to pull them off. Just when Olivia starts to think that things are going to work out after all, the palace is invaded by a host of new cousins and other royals who all seem to be angry at Olivia (although Grandmère says they are just jealous). As the day of the wedding gets closer and closer, Olivia becomes more and more worried. For such a carefully planned event, it seems as if a LOT of things are going wrong . . . Can Olivia keep this royal wedding from becoming a royal disaster? Olivia chronicles her transformation from ordinary girl to princess in her notebook, with illustrations from author Meg Cabot,

who studied Fine Arts as an undergraduate.

Meg Cabot's youngest star is headed for the stage. .

.at her school. For parent's night. But still, it's a starring role! The fourth grade puts on a play written

by Mrs. Hunter! Allie is sure she will walk away with the most coveted role--that of the princess, naturally-

but one of her friends gets the part! What Allie doesn't realize is that the part she does get--that of

the evil queen--is actually a better (and bigger) role. But Allie isn't content with just starring in the play.

She goes full-on method and borrows some false eyelashes to wear for the play, which (what else is

new?) causes a great deal of excited controversy.

Allie learns it's not the size of the part, it's the size of the heart that matters.

Return to the world of Meg Cabot's bestselling and beloved Princess Diaries series in From the

Notebooks of a Middle School Princess—this time through the illustrated diary of a spunky new

heroine: Princess Mia's long lost half-sister, Olivia! Olivia Grace Clarisse Mignonette Harrison is a

completely average twelve-year-old: average height, average weight, average brown hair of average

length, average brown skin and average hazel eyes. The only things about her that aren't average are her

name (too long and princess themed), her ability to draw animals (useful for her future career as a

wildlife illustrator), and the fact that she is a half-orphan who has never met her father and is forced to

live with her aunt and uncle (who treat her almost like their own kids, so she doesn't want to complain).

Then one completely average day, everything goes wrong: the most popular girl in school, Annabelle

Jenkins, threatens to beat her up, the principal gives

her a demerit, and she's knocked down at the bus stop . . . Until a limo containing Princess Mia Thermopolis of Genovia pulls up to invite her to New York to finally meet her father, who promptly invites her to come live with him, Mia, Grandmère and her two fabulous poodles Maybe Olivia Grace Clarisse Mignonette Harrison isn't so average after all!

Princess Mia puts together a musical money-making scheme to save her student government, which could serve as preparation for one day balancing the budget of her small country. Reprint.

When sixteen-year-old Emerson Watts learns the truth about Nikki, the teen supermodel into whose body Emerson's brain was transplanted, she finds that there is only one person to turn to for help--especially since her loved ones seem to be furious with her.
