

Bend Me Over Hawkeye 2 Sierra Cartwright

Broke must be rough, dominant, and confident. Stepping into his new role as MC Vice President, the mask he wears screams "Don't screw with me!" but that just hides the part he can't show. Thrown into danger by her job, she's attacked by a member of the Russian mob. Left lying helpless in the hospital, one phone call binds her to the rough, handsome biker who would do anything to protect her. With danger lurking she has no other option but to hide beneath his wings. Both hide behind themselves, yet are determined to force the other to become the person they truly are. Will they each overcome their inner battles as well as the threat from the Russian mob who leaves a trail of bodies in its wake? Will Broke be able to save Roan's life or let his own slip through his fingers? "Three women. One night. Four Doms to rope them up, ride them hard, and brand their hearts. It's Western Night at Dark Haven." A GOOD sub WOULD by Sierra Cartwright Shelby, a wanna-be sub, hasn't found a Dom strong enough to push past her need to be in control. Her experiences as a sub have been yawn-inducing. She's fantasized plenty, though, about Trevor Lawton, one of Dark Haven's legendary, mouthwateringly firm Doms. As the stakes get higher at the charity poker match, Dom Trevor Lawton is fascinated by the woman kneeling across the table from him. Problem is, she's not a good sub. Oh, she tries, and she's lovely. But she's not very good at following orders. The woman needs a firm, unyielding hand...his. HUNTING HOLLY by Belinda McBride When Holly left the Truckee pack, she left her family, her safety, and the two men she loved. Now she's in San Francisco training as a Domme at Dark Haven. She thinks she's found herself, but tonight, Tex and Hunter have found her. And they are not happy with their little wolf. She's been keeping secrets from them. Tonight, someone's gonna beg. "Additional Publisher's Warning: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: anal play/intercourse, caning, sensory deprivation." WELCOME TO THE DARK SIDE by Cherise Sinclair Real Doms terrify her, so Summer plays with lightweights only. And only in the safety of her club, Dark Haven. But on Western Night, the tough cop who wins her in a sub-roping game is as powerful as they come. Virgil's first taste of BDSM was disturbingly enticing. Hoping to burn out his interest, he visits an infamous San Francisco club, where he wins himself the prettiest little sub he's ever seen. He's in a quandary. A man shouldn't render a woman helpless, let alone spank her ass. But the nervous little submissive clearly loves being in his ropes. Her need to be controlled is as powerful as his need to control. So he indulges himself, and her. That one night could be the beginning, but instead it's the end. She won't play outside the club and he lives too far to come play. He'll just have to find a way to forget her...or get her in his ropes to stay. "Publisher's Note: All of the stories within this anthology contain explicit sexual content, graphic language, and situations that some readers may find objectionable: strong BDSM theme and elements (including/not limited to: bondage and spanking)."

HAWKEYE TWO: BEND ME OVER Protecting sexy and uptight professor Aimee takes an interesting turn when Trace Romero discovers she has a secret passion for BDSM. Aimee's not ready to trust a tall, dark, gorgeous stranger with her body "or" her life. She would send him on his way, if her sister weren't so concerned about the break in at her house, and if she hadn't threatened protective custody. But protective custody might have been slightly less overwhelming than Trace demanding her complete capitulation, mind and body, and more -- her total trust. But that trust may be the only thing standing between her and a madman determined to kill her. HAWKEYE THREE: MAKE ME Competent and in control, Ms. Inamorata, Hawkeye's righthand woman, has the perfect relationship with hunky fellow operative Wesley Lowell. Several times a week, she shows up at his house, has fabulous sex, meaningless conversation, and then returns home and to her regular life. Hawkeye operative Wesley Lowell wants sexy, mysterious Ms. Inamorata in his life and his bed. Fed up with Inamorata's "here for the sex and gone in the morning" terms, he bends her over the bed, and takes her the way he wants to: hard, fast, dominating. Against her own wishes, Inamorata responds to his more heated sexual demands. For the first time since they've been together, he makes her beg for an orgasm, and beg she does. This oh-so-sexy man turns her life upside down, until she realizes she needs him not only as a demanding lover, but needs him by her side to solve a case that causes past and present to collide. "Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: BDSM theme and elements."

"Who's watching you...?" The highly specialized Hawkeye team protects the world's most valuable things, secrets, even people. But now one of their own needs protecting. There's a cool million dollar bounty on Dom Wolf Stone's head. Trouble is, Stone's a loner and doesn't want the help. That doesn't stop his submissive and former lover, Nate Davidson, or another determined agent, Kayla Fagan, from showing up at his Colorado ranch, uninvited. The spark, the anger, the hurt is still there between Wolf and Nate, and their first kiss reignites the flames that time and distance have not diminished. With Nate's help, Wolf uncovers Kayla's unexplored submissive tendencies. Under the Dom's unyielding instruction, Kayla explores her sexuality in ways that make her dizzy. For Wolf, there's nothing better than having two very different, very willing, very pleasing subs at his command. But Kayla and Nate both want more. In addition to his love, they want him to give up control long enough to share his life completely. And that's the one thing Wolf is incapable of giving. "Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, BDSM theme and content, male/male sexual practices, mnage (m/f/m)."
