My boss Kevin and I go in search of some untouched powder on the slopes that day, but when we find a hidden thermal pool it seems only right that we go for a dip. I've seen his and

he's seen mine – but I don't just want to look. I want to touch ... I want to taste. Read how I take his love inside me out there on the cool mountainside. (breeding, pregnancy, unprotected, hardcore, bdsm, outdoor, outdoor sex, sex, erotica, boss, alpha male, xxx)

On a fortuitous encounter, Mu Cheng became someone Mr Lu would look for even at the ends of the earth. When they saw each other again, she was standing next to his nephew, smiling as she called out: "Greetings, Uncle Lu." Who would have thought that the man would bring her home without a word and ask for a certificate. "We're not close? How could he be considered familiar with it? Two babies, sir, to improve our relationship, eh? " Mu Chen: "Mister Lu, what happened to the High Chilling Restraint Element?"

"You won't want to miss this fast-paced, sexy ride!" Cora Seton - New York Times & USA Today bestselling author Meet the Alpha Cowboys we wish were real. Now, THREE second-chance romances in ONE boxed-set - Books 4-6 in the Cowboys of the Flint Hills Series – The Hansens Heart of a Horseman –After leaving Axel Hansen under cover of darkness ten years ago, Haley Cooper is back in town, and forced to stay at the Hansen ranch because of her job. In spite of the years and the hurt, the pull between them is undeniable and Axel is determined to win Haley for good this time. But will a devastating tornado jeopardize all they've fought for? Heart of a Hero - Cassidy Grace did all she could to get Parker Hansen to notice her. And he finally did – the night before she left for basic training. Now she's back, and a messed-up combat pilot. But this time Parker won't be deterred – until an out of control wildfire threatens to cost him everything he holds dear. Heart of a Bachelor – Suzannah Winslow knows all too well the heartbreak of a sweet-talking cowboy and the humiliation of being left at the altar. But when she agrees to become Prairie's only doctor, she runs smack into the one man she can never forget, Gunnar Hansen. And when Gunnar discovers that not everything in Vegas "stays in Vegas," he makes a full court press for the woman who won his heart years ago, and the family he's always longed for.

I'm obsessed with my secretary. The way she walks. The way she looks at me. The way she says my name, especially when she says yes. Yes, Mr. Declan. I know better. I'm not just

her boss, I'm the owner of the entire firm - and she's just barely out of college and out at her first job. Sweet. Inexperienced. Innocent. I don't just want Sloane. I want to own her, possess her, dominate her body and soul in every way I know how. Come hell or high water, I won't stop until she's mine. I've got a crush on my boss. I shouldn't. I know. I should find someone my own age to date, but I can't stop thinking about my dominant, commanding boss. Every time I walk into his office my knees turn to jelly. All I can think about is Mr. Declan bending me over his desk and taking me, making me his. I could get fired for this, but there's something in the way he looks at me, something in the way he speaks to me, something about him that makes me want to beg him for more. Please, Mr. Declan. Please. Boss Me Dirty is a very dirty standalone romance with tons of steam, an obsessed, dominant, alpha hero, a happily-ever-after ending and NO cheating!

Together in one set, Books 4-6 of tWill Travel for Trouble series of short cozy mysteries! Trouble at Hungry Horse, Book 4: Minnie Crockwell, recreational vehicle enthusiast and traveler, no sooner leaves Glacier National Park than she encounters some trouble with her RV and tow car, necessitating an unexpected layover at a campground in the nearby small town of Hungry Horse, Montana. Within an hour of checking in, however, a gunshot rings out, and Minnie finds herself on her hands and knees hiding under a park bench. But the shot wasn't meant for her. In fact, no one can even find the shooter or a gun. Peregrine Ebenezer (Ben) Alvord, Minnie's nineteenth-century ghost traveling companion, knows that someone at the campground has been murdered, but not by a gunshot. It seems everyone hated the victim. Everyone! The question is who hated the victim enough to kill her? Minnie just wants to get her RV fixed and get on the road, but she soon finds herself immersed in the repercussions of a decades-old tragedy. Trouble at Snake and Clearwater, Book 5: Minnie Crockwell, recreational vehicle enthusiast and traveler, receives a call from her niece, Tiffany, who has recently moved from Arizona to Washington to be with her boyfriend. Lonely in a new area, Tiffany asks Aunt Minnie to stop by for a visit. Minnie, on the road in her RV just north in Spokane and hoping to head south to warmer climates for the winter, adjusts her travel plans and heads south to the small city of Clarkston, Washington, at the confluence of the Snake and Clearwater Rivers. Finding a wonderful RV site with a panoramic view of the Snake River,

Minnie settles in for a short, relaxing visit with her niece. Binoculars in hand, she admires the scenery—from the golden hills across the river to the fishermen trolling in boats. The beauty of the scene is marred though, when one fisherman disappears from his boat right before her eyes. Peregrine Ebenezer (Ben) Alvord, Minnie's nineteenth-century ghost traveling companion, can do nothing to save the man from drowning. In fact, he can't even find him. But search and rescue teams do finally locate poor Jim Olson, only to discover that he didn't die by drowning. Everyone liked Jim Olson, everyone except the person who killed him. Minnie vows to stay out of this murder investigation, but she feels responsible since she was the last person to see him alive. Besides the killer, that is. Trouble in Florence, Book 6: Minnie Crockwell, recreational vehicle enthusiast and traveler, is heading south to warmer climates by way of Highway 101, also known as the Oregon Coast Highway and Pacific Highway. She stops for a few days in the quaint little seaside town of Florence, Oregon, for a stay at the Tuscan Sands RV Park. Although the park hardly lives up to its evocative name, the sand dunes of the Florence beaches most certainly do. When in Florence... Minnie wastes no time heading to the beach for a walk with her nineteenth-century ghost companion, Peregrine Ebenezer (Ben) Alvord. Even if it is the middle of December. Less people on the beach though, right? What could be more relaxing than walking on a nearly deserted Pacific Northwest beach? But the dangerous and erratic driver of a blue Jeep, the fierce coastal storm that sweeps through overnight, a barking dog that paws at the sand, and the discovery of a body partially submerged beneath a log on the beach all conspire to take the relax out of relaxing. Against her will and Ben's words of caution, Minnie cannot help but try to solve the mystery of the Trouble in Florence.

Here are six exciting scifi books from genre author, Adam Drake. Ranging from LitRPG to post-apocalyptic to space opera. Shadow Gambit (Shadow For Hire Book 1) An impossible quest for a legendary item. I love questing for loot. And the more difficult the quest, the greater the reward. So when I'm offered a chance to retrieve the ultimate treasure of all, I signed up. Yet no one warned me the task would be impossible. Against overwhelming odds I'm also expected to defeat an ancient evil - one with the power of a god. But you know what? Some loot is worth risking it all. Shadow Hunting (Shadow For Hire Book 2) The most powerful player in the gaming universe wants me dead. Now I have a price on my head with tens of thousands of bounty hunters out to kill me. But I can only run for so long. I need to put an end to this madness once and for all. If I'm going to die, it will be on my own terms. The tables must be turned. Time to go hunting. Shadow Wars (Shadow For Hire Book 3) I'm a loot-hunting adventurer, not a general. I play online MMOs for exciting quests, to level my character and find cool loot. Not to lead armies. But now I have to fight a battle to get the quest item I desperately need. I've never commanded troops or built bases or strategized an attack more complex than a dungeon raid. When it comes to war, I'm a complete noob. Yet, defeat isn't an option. I've got to win or everything I've worked so hard for will be lost. So, they want a war? I'll give them one. Shadow Blade (Shadow For Hire Book 4) A hallowed weapon hidden in a jungle hell. Forced to prove my worthiness to an elite group of players, I must earn the right to enter one of the most notorious locations in the game. The Emerald Caldera has a fearsome reputation for chewing up would-be adventurers and quickly sending them back to the newbie zone. Filled with dungeon temples, monstrous beasts and dark-magic cults, the jungles of this mysterious island are deserving of respect. And I must plunge headlong into them because it's here where I can find the next elusive item in my Legendary Armor Set: The Shadow Blade

Only the strong, and crazy, will survive. Through the blood and chaos, civilization will be permanently transformed. And it all begins with one terrifying moment, when the lights go out and never come back on. Blackout. Escape to the Fringe A pair of outlaws searching for riches. A stolen ship with a secret cargo. A strange alien with bizarre abilities. When Ash and Femke Quinly decide to steal a transport ship from the local criminal syndicate, their troubles have just begun. With enemies in relentless pursuit, and their options dwindling, an already dangerous situation becomes more futile. But when the universe is gunning for you, there is one insane option only the truly desperate can take: They must escape to the Fringe!
