Logan K12

"From penguins to seals to polar bears, discover some of the amazing animals that live around the frigid lands of the North and South Poles"--Page 4 of cover. Yancey explores reflection as a promising

Read Free Dance Packet 15 Logan K12

body of practice and inquiry in the writing classroom. Yancey develops a line of research based on concepts of philosopher Donald Schon and others involving the role of deliberative reflection in classroom contexts. Developing the concepts of reflection-in-action, constructive reflection, and reflection-in-

Read Free Dance Packet 15 Logan K12

presentation, she offers a structure for discussing how reflection operates as students compose individual pieces of writing, as they progress through successive writings, and as they deliberately review a compiled body of their work-a portfolio, for example. Throughout the book, she explores

Read Free Dance Packet 15 Logan K12

how reflection can enhance student learning along with teacher response to and evaluation of student writing. Reflection in the Writing Classroom will be a valuable addition to the personal library of faculty currently teaching in or administering a writing program; it is also a natural for graduate

Read Free Dance Packet 15 Logan K12

students who teach writing courses, for the TA training program, or for the English Education program.

Throughout history, and in cultures all over the world, education rightly conceived has had two great goals: to help students become smart and to help them become good. They need character for both.

Read Free Dance Packet 15 Logan K12

Smart & Good High Schools, a 227-page "report to the nation" by Thomas Lickona and Matthew Davidson based on two years of research on American high schools, describes nearly 100 promising practices for developing adolescent character. These practices are organized around a vision aimed at

Read Free Dance Packet 15 Logan K12

encouraging a paradigm shift in character education: from focusing only on moral character to focusing on both performance character (needed for best work) and moral character (needed for ethical behavior). The report's research included visits to 24 diverse high schools, a comprehensive research

learning, which makes it appropriate for a much wider group of students than just the very brightest.

Approaches and strategies are explained in a unique and personal style and include the following: use of interdisciplinary themes, analytical thinking

exercises, teaching moral dilemmas, Socratic questioning techniques, increasing depth and complexity through interactive games, activities to promote creative thinking, using graphic organizers, and teaching research skills and methods.

The author
