

## Fourth Dimension David Yonggi Cho

In his powerful examination of spiritual warfare, Richard Ing discusses the rulers and hierarchies of the demonic kingdom. For instance, he reveals the Jezebel and Ahab spirits that plague today's churches, destroying even the most effective ministries through controlling women and passive men. Discover how to overcome Satan's insidious tactics by learning the techniques and strategies available in your full arsenal of weapons, including: The proper use of binding and loosing The anatomy of a deliverance Satan's legal rights Spiritual war games Winning spiritual strategies Victorious spiritual warfare is possible only as the Holy Spirit empowers individuals in the body of Christ.

What can we learn from the Scriptures about how to trust God no matter what, and believe in something that is not yet seen? As a young man with only weeks to live, Yonggi Cho was healed of terminal illness, saw the resurrected Jesus, and quickly began sharing God's hope with others. Those listeners became the world's largest church. In Faith, Pastor Cho and Dr. Wayde Goodall share how to Understand and grow in your faith. Walk with the Holy Spirit and produce the fruit of the Spirit. Overcome mistakes and continue to depend on Christ in times of discouragement. Believe for and trust God's supernatural power. Use every situation to accomplish tremendous things for God's kingdom. For our lives to work, we need faith—the kind of faith that gives birth to hope and chooses to believe in every circumstance. God will answer prayer, heal, and perform signs and wonders as we walk daily by faith. You can trust God as your source, security, and assurance.

This book teaches Christians about their God-given purpose in life. Many people may not know their purpose in life even after they become believers in Jesus Christ. The Bible shows that each believer is a covenant being, meaning that he/she has a God-given spiritual purpose in life (a covenant). Abraham, Joseph, Daniel, Nehemiah, Peter, John, and Paul lived covenant lives before God. It is important that each believer realizes and believes that he/she has a personal covenant with God just like these people, although his/her personal covenant is different from those of biblical figures. The covenant life is inextricably related to our life of holiness, or sanctification. Sanctification is the way through which this covenant is actualized in our life. Thus, the covenant gives the answer to the question, "Why am I here?" And sanctification gives the answer to the question, "How should I live that life in the world?" The covenant person

lives as a steward of Jesus Christ. The stewardship is the guiding principle for this person as he relates to material things in the world. And justice is the guiding principle for the covenant person as he relates to other people.

What drives you? Or what is the "motivation" or "purpose" of your life? Robert Oh has traveled to close to fifty countries in his lifetime and met hundreds of thousands of God-fearing and God-loving people who are still asking the fundamental question of life: "What does God want me to do with my life?" At the end of your life you don't want to catch yourself saying, "That was it?" You see, without God, your life will be only earthly, natural, and predictable; it won't be supernatural or godly. You reap what you sow. The Prayer Driven Life is an invitation to enter this incredible supernatural life--fashioned by God and through your own prayer. What does God want you to do with your life? Why don't you ask Him? Pray!

Many of Dr. Cho's books talk about life in the fourth dimension -- a realm that is more real than the physical world in which we live. He points out that the world we know was fashioned in the invisible fourth dimensions -- the spiritual realm -- and the things we see are only temporary; whereas, spiritual things are eternal. In light of this, he wants each of us to gain entrance to the fourth dimension, the place where the God of might and miracles lives and moves. This exceptional book by Dag Heward-Mills will teach you what it means to catch the anointing and how you can be anointed for ministry. Learn how to catch the anointing for the work of the ministry. This book is a must for every minister.

**“For the great God who called me has given me, also, a glimpse of His glory.” - Kathryn Kuhlman** Kathryn Kuhlman introduced the Holy Spirit to a generation who knew Him not. Thousands were born again and healed by the power of God during her miracle services. While most people knew Kathryn Kuhlman only as a woman of miracles, her most lasting contribution to the kingdom is her teaching. Her daily radio broadcasts were gems of truth and wit. This book captures Kathryn’s spoken wisdom while also telling the stories of the miracle healings she witnessed. Hundreds of thousands bought her only authorized biography, *Daughter of Destiny*, to know her better. Then before she died in 1976 she told her biographer, Jamie Buckingham, “Tell it all.” He realized that what she taught was even more important than what she did. That realization birthed *A Glimpse Into Glory*. The short chapters that compose *A Glimpse Into Glory*—carefully transcribed and edited from Kathryn’s radio teachings—represent some of the best messages she preached around the nation. Several are unpublished statements she gave to various magazines and newspapers, taken verbatim from interview tapes. What she had to say gives us not only insight into a woman God used as a prophetic leader, but also provides something far more important: glimpses into His glory.

Cale Alexandros was five years old when the path of his life was irrevocably altered. As the scion of a wealthy and powerful family, he enjoyed a privileged existence—until his family's starship was attacked en route to Morningstar, the lone outpost of civilization on a savage planet known as Conrad's World. In an escape ship, Cale crash-landed in the wilds, and was picked from the wreckage by nomads. For years, Cale is forced to endure life as a slave, sold and shuffled from one group of brutish thugs to another—until a trader recognizes a glimmer of promise in Cale's eyes, and frees him. Cale travels far and wide, but he never forgets what happened long ago, in the desert wastes . . . when, in a strange, ancient temple, he found a book with pages made of a strange metal, and writings he could not identify. When he finally reaches Morningstar, he comes to realize that the book is a key to understanding a language never heard by mankind, an alien dialect. It also holds a secret that some people want to learn, a treasure that some want for themselves, and a revelation that some will do anything to control.
