Introducing The Valentines – Happy Girl Lucky, the first book in the hilarious new romantic-comedy series by Holly Smale, author of the bestselling and critically acclaimed Geek Girl books.

London, 1876. Hetty Feather is just a tiny baby when her mother leaves her at the Foundling Hospital. The Hospital cares for abandoned children - but Hetty must first live with a foster family until she is big enough to go to school. Life in the countryside is sometimes hard, but with her foster brothers, Jem and Gideon, Hetty helps in the fields and plays vivid imaginary games. Together they sneak off to visit the travelling circus, and Hetty is mesmerised by the show - especially the stunning Madame Adeline and her performing horses. But Hetty's happiness is threatened once more when she must return to the Foundling Hospital to begin her education. The new life of awful uniforms and terrible food is a struggle for her, and she desperately misses her beloved Jem. But now she has the chance to find her real mother. Could she really be the wonderful Madame Adeline? Or will Hetty find the truth is even more surprising? Jacqueline Wilson will surprise and delight old fans and new with this utterly original historical novel. Featuring a brand-new feisty Victorian heroine, Hetty Feather, this is a compelling, moving, funny and totally fascinating Tracy Beaker-esque tale that will thrill and captivate readers.

"My name is Harriet Manners, and I am still a geek." **MODEL MISFIT is the sequel to award-winning No. 1 UK debut GEEK GIRL.**

My name is Harriet Manners, and I have always been a geek. The fourth book in the award-winning GEEK GIRL series. Harriet Manners knows many things. She knows that toilet roll was invented by the Chinese in 600 AD. She knows that a comet s tail always points away from the sun. And she knows that the average healthy heart beats 70 times per minute. Even when it s broken. But she knows nothing about making new friends at Sixth Form. Or why even her old friends seem to be avoiding her. And she knows even less about being a glittering supermodel success. Which she now is apparently. Has Harriet s time to shine like a star finally arrived, or is she about to crash and burn?"

My name is Harriet Manners, and I am a geek. The first three hilarious novels in the award-winning GEEK GIRL series now available as a 3-book collection. Geek Girl: Harriet Manners knows that a cat has 32 muscles in each ear, a jiffy lasts 1/100th of a second, and the average person laughs 15 times per day. But she doesn t know why nobody at school seems to like her. So when Harriet is spotted by a top model agent, she grabs the chance to reinvent herself Model Misfit: Harriet Manners knows that humans have 70,000 thoughts per day. She also knows that Geek + Model = a whole new set of graffiti on your belongings. But Harriet doesn t know where she s going to fit in once the new baby arrives. And with her summer plans ruined, modelling in Japan seems the perfect chance to get away Will geek girl find her place on the other side of the world? Picture Perfect: Harriet Manners knows that New York is the most populous city in the United States. She knows that its official motto is Ever Upward . But she knows nothing whatsoever about modelling in the Big Apple and how her family will cope with life stateside. Or becoming a brand as the models in New York say. And even more importantly, what to do when the big romantic gestures aren t coming your way from your boyfriend Does geek girl go too far this time? The award-winning debut, GEEK GIRL, and brilliant follow-up titles in the bestselling series by Holly Smale."

Shortlisted for the Waterstones Children's Book Prize, the Federation of Children's Book Groups Prize and longlisted for the 2015 Carnegie Medal, Kim Slater's outstanding debut, Smart, is moving and compelling novel with a loveable character at its heart. 'I found Jean's friend dead in the river. His name was Colin Kirk. He was a homeless man, but he still wanted to live.' There's been a murder, but the police don't care. It was only a homeless old man after all. Kieran cares. He's made a promise, and when you say something out loud, that means you're going to do it, for real. He's going to find out what really happened. To Colin. And to his grandma, who just stopped coming round one day. It's a good job Kieran's a master of observation, and knows all the detective tricks of the trade. But being a detective is difficult when you're Kieran Woods. When you're amazing at drawing but terrible at fitting in. And when there are dangerous secrets everywhere, not just outside, but under your own roof.

Geek Girl is coming to America! The internationally bestselling series takes on the Big Apple in this third hilarious, high-fashion adventure. When Harriet's dad gets a job in New York City, Harriet is beyond excited to move to the land of skyscrapers, museums, and taxicabs—especially since she'll get to see her dreamy supermodel boyfriend, Nick. Except . . . when her parents said New York, they meant a tiny, boring town two hours from the city by train. Diving back into modeling should be just the right distraction. But can a geek girl stand out in the fashion capital of America? “A cheeky, fabulous, fun read” (ALA Booklist), Holly Smale’s Geek Girl series is perfect for fans of Meg Cabot’s Princess Diaries series and Louise Rennison’s Georgia Nicolson series.

Introducing The Valentines - Happy Girl Lucky, the first book in the hilarious new romantic-comedy series by Holly Smale, author of the bestselling and critically acclaimed Geek Girl books.

In modern-day England, where witches live alongside humans, Nathan, son of a White witch and the most powerful Black witch, must escape captivity before his seventeenth birthday and receive the gifts that will determine his future. You can make a geek a model, but you can't make her chic. More hilarity and high fashion await in the second book in the internationally bestselling Geek Girl series! Harriet Manners is a model—but she feels even less popular and more awkward than she did when she was just a geek. So a summer modeling job in Japan sounds like the perfect vacation, even if she has to bring along her crazy grandma Bunty, and even if she might run into Nick, her gorgeous supermodel ex-boyfriend. No one is going to ruin Harriet's fabulous Tokyo adventure—unless she accidentally ruins it herself. . . . This sequel to Holly Smale's #1 bestselling debut novel, Geek Girl, is perfect for fans of Mag Cabot's Princess Diaries series and Louise Rennison's Georgia Nicolson series.

Geek + runway = a runaway UK hit! Geek Girl is the first book in a hilarious, internationally bestselling series that's perfect for fans of Louise Rennison and The Princess Diaries. Harriet Manners is a geek. She always has been, and she thought she always would be—but when she's discovered by a modeling agent, she leaps at the chance to reinvent herself. There's only one problem: Harriet is the definition of awkward. Can she transform from geek to chic?

Illustrated by the bestselling author and illustrator of Great Women Who Changed the World, Kate Pankhurst, Captain Cat and the Treasure Map is a laugh-out-loud pirtical adventure from Sue Mongredien, perfect for newly confident reads or to enjoy together. Patch is a ship's cat who lives aboard The Golden Earring. Along with her friends, Cutlass the parrot and Monty the monkey, Patch frequently gets the pirate crew out of trouble – although they never realize quite how much she does to save their skins . . . In their first adventure, the pirate crew discover a treasure map and set out to find where X marks the spot. But little do they know that the treasure is cursed and it's up to Captain Cat to stop them, before it's too late!

My name is Harriet Manners and I'll be a geek forever... The FINAL book in the bestselling, award-winning GEEK GIRL series is here!

Harriet sait que le mannequinat ne peut pas la transformer. Elle sait qu'être singulièrement différente comme un ours polaire n'est pas nécessairement une mauvaise chose (même dans la forêt tropicale).

Et aussi qu'un humain moyen consomme une tonne de nourriture par année, même si sa belle-mère enceinte semble faire tout en son pouvoir pour faire augmenter la moyenne. Ce qu'Harriet ignore, c'est où sera sa place à l'arrivée du bébé. Ses projets d'été sont tombés à l'eau, alors aller parader au Japon semble être le plan parfait pour s'éloigner le plus possible de la maison. Toutefois, rien ne pouvait préparer Harriet à la folie de Tokyo, à l'esprit compétitifs des autres mannequins et au «chaperonnage» de sa grand-mère. Ou encore à retrouver le superbe Nick partout où elle va. Parce que cette fois-ci, Harriet connaît la sensation d'un coeur brisé. L'intellectuelle pourra-t-elle trouver sa voie de l'autre côté du monde, ou Harriet estelle perdue à jamais?

"My name is Harriet Manners, and I am a geek." The first three hilarious novels in the award-winning GEEK GIRL series – now available as a 3-book collection.

"Growing up in Alaska in the 1970s isn't like growing up anywhere else. Don't think life is going to be easy. Know your place. And never talk about yourself. Four vivid voices tell intertwining stories of hardship, tragedy, wild luck, and salvation"--

Dear Mr. S. Harris, Ignore the blob of red in the top left corner. It's jam, not blood, though I don't think I need to tell you the difference. It wasn't your wife's jam the police found on your shoe. . . . I know what it's like. Mine wasn't a woman. Mine was a boy. And I killed him exactly three months ago. Zoe has an unconventional pen pal--Mr. Stuart Harris, a Texas Death Row inmate and convicted murderer. But then again, Zoe has an unconventional story to tell. A story about how she fell for two boys, betrayed one of them, and killed the other. Hidden away in her backyard shed in the middle of the night with a jam sandwich in one hand and a pen in the other, Zoe gives a voice to her heart and her fears after months of silence. Mr. Harris may never respond to Zoe's letters, but at least somebody will know her story--somebody who knows what it's like to kill a person you love. Only through her unusual confession can Zoe hope to atone for her mistakes that have torn lives apart, and work to put her own life back together again. Rising literary star Annabel Pitcher pens a captivating second novel, rich with her distinctive balance between humor and heart. Annabel explores the themes of first love, guilt, and grief, introducing a character with a witty voice and true emotional resonance.

A charming domestic comedy, with a dash of magic, and the occasional moment of mayhem! These are the memoirs of ME, Holly Hopkinson, aged almost ten, except without any of the rubbish adults usually put in, thank you very much. My dad just lost his job, which means me and the rest of my family have to leave London and move to the middle of nowhere, which is a TOTAL DISASTER! There's no Wi-Fi, the local kids are FERAL and there's animal poo EVERYWHERE. But then for my birthday, my eccentric aunt gave me a magic pocket watch, which I can use to hypnotise and CONTROL people. I actually wanted a new phone, but I won't complain because this new power is REALLY FUN and has led to the MOST unexpected things - including a visit to the QUEEN. Maybe the countryside isn't so bad after all...

"My name is Harriet Manners, and I'll always be a geek." It's the hilarious third book in the bestselling award-winning Geek Girl series! Now in paperback. Harriet Manners knows more facts than most. She knows that New York is the most populous city in the United States. She knows that its official motto is "Ever Upward". She knows that one in thirty-eight people living in the US lives there. But she knows nothing whatsoever about modelling in the Big Apple and how her family will cope with life stateside. Or "becoming a brand" as the models in New York say. And even more importantly, what to do when the big romantic gestures aren't coming your way from your boyfriend. . . Does geek girl go too far this time? The laugh out loud follow-up to award-winning debut Geek Girl and Model Misfit will have you in stitches!

Gigi, Bea, and Neerja are best friends and total overachievers. Even if they aren't the most popular girls in school, they aren't too worried. They know their real lives will begin once they get to their Ivy League colleges. There will be ivy, and there will be cute guys in the libraries (hopefully with English accents)! But when an unexpected event shows them they're missing out on the full high school experience, it's time to come out of the honors lounge and into the spotlight. They make a pact: They will each take on their greatest challenge—and they will totally rock it. Gigi decides to run for student rep, but she'll have to get over her fear of public speaking—and go head-to-head with gorgeous California Will. Bea used to be one of the best skiers around, until she was derailed. It could be time for her to take the plunge again. And Neerja loves the drama club but has always stayed behind the scenes—until now. These friends are determined to show the world that smart girls really can get what they want—but that could mean getting way more attention than they ever bargained for. . . .

1891 . . . Spinster librarian, Olive Wilkins, is shocked to learn of her brother's violent death at a saloon gaming table and her sister-in-law's subsequent murder, traveling far from her staid life to rescue her niece and nephew, now orphans. She arrives to find the circumstances of her brother's life deplorable and her long held beliefs of family and tradition, shaken. Accustomed to the sophistication of Philadelphia, Olive arrives in Spencer, Ohio, a rough and tumble world she is not familiar with, facing two traumatized children. Her niece and nephew, Mary and John, have been living with a neighboring farmer, widower Jacob Butler, the father of three young children of his own and a man still in pain from the recent loss of his wife. Real danger threatens Olive and Mary and John while Jacob and his own brood battle the day-to-day struggles for survival. Will Olive and Jacob find the strength to fight their battles alone or together? Will love conquer the bitterness of loss and broken dreams?

My name is Harriet Manners, and I will always be a geek. The fifth book in the bestselling, award-winning GEEK GIRL series. Harriet Manners knows almost every fact there is. She knows duck-billed platypuses don't have stomachs. She knows that fourteen squirrels were once detained as spies. She knows only one flag in the world features a building. And for once, Harriet knows exactly how her life should go. She's got it ALL planned out. So when love is in the air, Harriet is determined to Make Things Happen!
