A bestselling modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. Nominated as one of America's best-loved novels by PBS's The Great American Read Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.

From the National Book Award–winning author of *The Absolutely True Diary of a Part-Time Indian*, the tale of a troubled boy’s trip through history. Half Native American and half Irish, fifteen-year-old “Zits” has spent much of his short life alternately abused and ignored as an orphan and ward of the foster care system. Ever since his mother died, he’s felt alienated from everyone, but, thanks to the alcoholic father whom he’s never met, especially disconnected from other Indians. After he runs away from his latest foster home, he makes a new friend. Handsome, charismatic, and eloquent, Justice soon persuades Zits to unleash his pain and anger on the uncaring world. But picking up a gun leads Zits on an unexpected time-traveling journey through several violent moments in American history, experiencing life as an FBI agent during the civil rights movement, a mute Indian boy during the Battle of Little Bighorn, a nineteenth-century Indian tracker, and a modern-day airplane pilot. When Zits finally returns to his own body, “he begins to understand what it means to be the hero, the villain and the victim. . . . Mr. Alexie succeeds yet again with his ability to pierce to the heart of matters, leaving this reader with tears in her eyes” (*The New York Times Book Review*). Sherman Alexie’s acclaimed novels have turned a spotlight on the unique experiences of modern-day Native Americans, and here, the *New York Times*–bestselling author of *The Lone Ranger and Tonto Fistfight in Heaven* and *The Absolutely True Diary of a Part-Time Indian* takes a bold new turn,

Christopher Hitchens, described in the London Observer as "one of the most prolific, as well as brilliant, journalists of our time" takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

If any of us learned we were going to move to a foreign country, we'd do everything we could to learn about that place so that we'd be prepared when moving day arrived. As Christians, we know some day we will leave our familiar country and be united with God in heaven. And yet many of us know very little about this place called heaven. In this enlightening book, bestselling author Dr. Robert Jeffress opens the Scriptures to unpack ten surprising truths about heaven and explain who we will see there and how we can prepare to go there someday. Perfect for believers or skeptics who are curious about heaven.

*Picking up where her modern classic *The Bean Trees* left off, Barbara Kingsolver's bestselling *Pigs in Heaven* continues the tale of Turtle and Taylor Greer, a Native American girl and her adoptive mother who have settled in Tucson, Arizona, as they both try to overcome their difficult pasts. Taking place three years after *The Bean Trees*, Taylor is now dating a musician named Jax and has officially adopted Turtle. But when a lawyer for the Cherokee Nation begins to investigate the adoption—their new life together begins to crumble. Depicting the clash between fierce family love and tribal law, poverty and means, abandonment and belonging, *Pigs in Heaven* is a morally wrenching, gently humorous work of fiction that*

In this "captivating" crime novel (People), Texas Ranger Darren Mathews is on the hunt for a missing child -- but it's the boy's family of white supremacists who are his real target. 9-year-old Levi King knew he should have left for home sooner; now he's alone in the darkness of vast Caddo Lake, in a boat whose motor just died. A sudden noise distracts him - and all goes dark. Darren Mathews is trying to emerge from another kind of darkness; after the events of his previous investigation, his marriage is in a precarious state of rebuilding, and his career and reputation lie in the hands of his mother, who's never exactly had his best interests at heart. Now she holds the key to his freedom, and she's not above a little maternal blackmail to press her advantage. An unlikely possibility of rescue arrives in the form of a case down Highway 59, in a small lakeside town where the local economy thrives on nostalgia for ante-bellum Texas - and some of the era's racial attitudes still thrive as well. Levi's disappearance has links to Darren's last case, and to a wealthy businesswoman, the boy's grandmother, who seems more concerned about the fate of her business than that of her grandson. Darren has to battle centuries-old suspicions and prejudices, as well as threats that have been reignited in the current political climate, as he

The acclaimed author of American Dirt reveals the devastating effects of a shocking tragedy in this landmark true crime book—the first ever to look intimately at the experiences of both the victims and their families. A Rip in Heaven is Jeanine Cummins' story of a night in April, 1991, when her two cousins Julie and Robin Kerry, and her brother, Tom, were assaulted on the Old Chain of Rocks Bridge, which spans the Mississippi River just outside of St. Louis. When, after a harrowing ordeal, Tom managed to escape the attackers and flag down help, he thought the nightmare would soon be over. He couldn't have been more wrong. Tom, his sister Jeanine, and their entire family were just at the beginning of a horrific odyssey through the aftermath of a violent crime, a world of shocking betrayal, endless heartbreak, and utter disillusionment. It was a trial by fire from which no family member would emerge unscathed.

GOD IS FOR REAL, a new book from author of the best-seller HEAVEN IS FOR REAL, addresses soul-searching questions about God, like What is God like? Why are things the way they are in spite of who God is? If Todd's first book, Heaven Is for Real, was about the then and there of heaven, GOD IS FOR REAL is about the here and now on earth: Why are there are so many hypocritical church people? Why do Christians make such a big deal about the cross? Why doesn't God seem to answer our biggest prayers? People are tired of pat answers offered up in churchy language explaining away their questions; we want the down-and-dirty truth. What bothers us about life and faith is real and gritty. We need a plain-spoken voice to offer God's answers to difficult struggles and painful doubts. Todd charges into these subjects with a fireman's courage, a small-town friend's vulnerability, and a local pastor's compassion. He helps articulate the questions people have, then gives them relevant biblical wisdom for taking their next steps in faith. God is ready to meet you! Are you ready to meet Him?

NATIONAL BOOK AWARD WINNER • Colum McCann's beloved novel inspired by Philippe Petit's daring high-wire stunt, which is also depicted in the film *The Walk* starring Joseph Gordon-Levitt In the dawning light of a late-summer morning, the people of lower Manhattan stand hushed, staring up in disbelief at the Twin Towers. It is August 1974, and a mysterious tightrope walker is running, dancing, leaping between the towers, suspended a quarter mile above the ground. In the streets below, a slew of ordinary lives become extraordinary in bestselling novelist Colum McCann's stunningly intricate portrait of a city and its people. Let the *Great World Spin* is the critically acclaimed author's most ambitious novel yet: a dazzlingly rich vision of the pain, loveliness, mystery, and promise of New York City in the 1970s. Elegantly weaving together these and other seemingly disparate lives, McCann's powerful allegory comes alive in the unforgettable voices of the city's people, unexpectedly drawn together by hope, beauty, and the "artistic crime of the century." A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in a time of transition, extraordinary promise, and, in hindsight, heartbreaking innocence. Hailed as a "fiercely original talent" (*San Francisco Chronicle*), award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can achieve, confront, and even heal. **BONUS:** This edition includes an excerpt from Colum McCann's *TransAtlantic*. "This is a gorgeous book, multilayered and deeply felt, and it's a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest-ever novels about New York. of Todd Burpo's son and his visit to heaven is known far and wide. It has even become a movie and an international sensation. Yet, the veracity of the story's details have not been fully examined, not until now. Is the heart of the Burpos' story a contradiction or inconsistent at best? Does each new version of the story question that before it? Did Todd Burpo use suggestive language to bring out a child's natural imagination? Those are questions for you to ask, as you read the author's book. The author's intention is not to shame the Burpo family in anyway. Instead, she seeks to bring light to a story, so that readers can make their own determination. The author, a well-versed and practicing Christian, uses her study of Forensic Psychology to demonstrate that even though the truth may seem more boring than fiction, it is still the truth. Is Heaven for Real? What is real, is not always as it appears...

From master storyteller An Na comes the Printz Award-winning novel about a Korean girl who tells her firsthand account of trying to find her place and identity in America from the day she leaves Korea as a child to her rocky journey through the teenage years. always imagined America would be like heaven: easy, blissful, and full of riches. But when her family arrives, she finds it to be the opposite. With a stubborn language barrier and cultural dissimilarities, not only is it impossible to make friends, but even her family's internal bonds are wavering. Her parents' finances are strained, yet her father's stomach is full of booze. As Young Ju's once solid and reliable family starts tearing apart, her younger brother begins to gain more freedom and respect simply because of his gender. Young Ju begins to lose all hope in the dream she once held—the heaven she longs for. Even as she begins to finally fit in, a cataclysmic family event will change her idea of heaven forever. But it also helps her to recognize the strength she holds, and envision the future she desires, and deserves.

Clear-eyed and spirited, Taylor Greer grew up poor in rural Kentucky with the goals of avoiding pregnancy and getting away. But when she heads west with high hopes and a barely functional car, she meets the human condition head-on. By the time Taylor arrives in Tucson, Arizona, she has acquired a completely unexpected child, a three-year-old American Indian girl named Turtle, and must

Ninety minutes into the trip, they stop for gas and food in North Platte, and Todd notices that they are near the Great Plains Regional Medical Center where they'd spent fifteen horrific days the previous March praying for Colton's life. He jokingly asks Colton if he wants to go back to the hospital, to which the child replies that they should send his sister, Cassie, instead. He also says that he remembers the hospital because that's where the angels sang to him. Intrigued by his comment, Todd asks what they sang to him. "Jesus Loves Me" and "The Battle of Jericho" are the songs Colton remembers with great clarity. Todd and Sonja exchange glances while Todd wonders if his son is remembering a dream. He asks his son what the angels looked like, and Colton says that one looked like his Grandpa, Dennis. He adds that the angels sang to him because Jesus asked them to, because he was scared. Colton says that he sat on Jesus' lap and also that he looked down and saw the doctors working on his body and his mom and dad in separate rooms both praying. tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?" It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises. Imagine Heaven is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to

"Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." When Colton Burpo made it through an emergency appendectomy, his family was overjoyed at his miraculous survival. What they weren't expecting, though, was the story that emerged in the months that followed—a story as beautiful as it was extraordinary, detailing their little boy's trip to heaven and back. Colton, not yet four years old, told his parents he left his body during the surgery—and authenticated that claim by describing exactly what his parents were doing in another part of the hospital while he was being operated on. He talked of visiting heaven and relayed stories told to him by people he met there whom he had never met in life, sharing events that happened even before he was born. He also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton tells of meeting long-departed family members. He describes Jesus, the angels, how "really, really big" God is, and how much God loves us. Retold by his father, but using Colton's uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Continue the Burpos story in

Some people feel that death is an indication of the cruelty of God, that life is nothing more than chaotic randomness, yet the passage of time reminds us that in the light of eternity we are all passing away in short order and we will follow those who have died very soon; even within just a few moments later when measured on the scale of eternal time. The accounts documented in this book are from different people at different times and in different places. They are all sincere; they all had a story to tell and they attempted to share their experience to the best of their ability. They each have unique aspects even though they share some similarities. Some of these stories will likely resonate and encourage and inspire you. Some may be difficult to relate to or to understand; if that is the case, I would suggest you skip that particular story for the time being and move on to the next one. Perhaps the afterlife is revealed to us in such a way that allows each of us to understand and comprehend the process of passing in a way that we can accept. The uniqueness of each experience may be in part due to the individual; their ability to take in the awesomeness of such an event may be reflected in their memory of the event. In any case, these incidents are

presented to the reader in the hopes that they will encourage and inspire; my hope is that you will find, as I did, a common theme within these experiences which seem to reflect the powerful love of God towards humanity, towards each one of us.

C.S. Lewis' *The Great Divorce* is a classic Christian allegorical tale about a bus ride from hell to heaven. An extraordinary meditation upon good and evil, grace and judgment, Lewis' revolutionary idea in *The Great Divorce* is that the gates of Hell are locked from the inside. Using his extraordinary descriptive powers, Lewis' *The Great Divorce* will change the way we think about good and evil.

Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything.
