

Istituzioni Di Diritto Romano Marrone

Periodico semestrale del Dipartimento di
Giurisprudenza

Il saggio si occupa del delitto di iniuria, la cui individuazione risale all'età più antica della civitas romana e già disciplinato nelle XII Tavole: se ne analizzano gli sviluppi che dapprima videro l'abbandono della pena del taglione, inizialmente sostituita dalla pactio la composizione stragiudiziale e poi da una pena pecuniaria, determinata dal giudice, e, con il tempo, una modificazione nell'ambito di applicazione. In particolare, il pretore fece rientrare nel concetto di iniuria le offese morali, arrecate

Access Free Istituzioni Di Diritto Romano Marrone

all'onore e al decoro della persona, che divennero progressivamente il principale contenuto di questo delitto, accogliendo quella che doveva essere, molto probabilmente, una elaborazione giurisprudenziale. L'estensione avvenne attraverso l'emanazione di specifici editti, oggetto principale dell'indagine, che contemplavano singolarmente diverse offese morali ed erano accomunati dal medesimo rimedio processuale. Si trattava degli editti: De convicio, De adtemptata pudicitia, Ne quid infamandi causa fiat, De iniuriis quae servis fiunt, De noxali iniuriarum actione, Si ei, qui in alterius potestate erit, iniuria facta esse dicetur, e De contrario iniuriarum iudicio. This book shows how the Italian legal system

Access Free Istituzioni Di Diritto Romano Marrone

developed mainly thanks to the cooperation of universities. In this way a Continental 'common law' was built which even today is useful as a common heritage.

“Roma Tre Law Review” is a law review sponsored by the Department of Law of the University of Roma Tre. It is not focused on a specific topic or a set of issues, but it is aimed at surveying transversally – and from an interdisciplinary perspective – the national and trans-national legal landscape. Its main aim is to promote the diffusion of the Italian legal

culture, and namely the type of scholarship produced at Roma Tre, abroad, as well as to investigate the development of the law in several fields and places from an Italian and European viewpoint. Accordingly, the review will host contributions ideally characterized by a specific set of features, and namely by their openness to comparative, historical, and interdisciplinary perspectives on all legal issues of not strictly local concern.

The past few decades in legal and literary studies have challenged the boundaries raised by the different concepts of law and literature espoused by

a great variety of theorists. Law's traditionally assumed disciplinary autonomy has been challenged by those who have pursued interdisciplinary methods of research. In particular, the concept of the sublime has moved out of the strictly philosophical and literary fields and crossed the borders between disciplines, finding an application also in the juridical field. On one hand, this volume proposes that the ethical aspect involved in the legal sublime is to contain the arrogance of the law. On the other hand, the volume draws attention to the "and" of interdisciplinary literary-legal studies and offers new daring

comparisons between philosophical fields and between apparently distant historical periods. This Dictionary analyses the ways in which the statuses of European citizens are profoundly affected by EU law. The study of one's particular status (as a worker, consumer, family member, citizen, etc.) helps to reconsider the legal notions concerning an individual's status at the EU level. The Dictionary includes a foreword by Evgeni Tanchev, Advocate General at the Court of Justice of the European Union, which illustrates some interesting features of the Court's case law on statuses. The Dictionary's core is composed of 79

chapters, published in alphabetical order. Each brief chapter analyses how the individual status was conditioned or created by contemporary EU law, or how the process of European integration modified the traditional juridical definition of the respective status. The Dictionary provides answers to the following questions: Has the process of European integration modified the traditional juridical definition of individual status? Has the concept of legal status now acquired a new function? What role has EU law played in developing a new modern function for the concept of individual status? Are the selection of a specific individual status by EU

law and the proliferation of such statuses, which is synonymous with the creation of new privileges, collectively undermining the goal of achieving substantive equality between EU citizens? Does this constitute a return to the past? Under EU law, is it possible to create a uniform definition of the legal status of the person, over and above the definition that is provided by a given Member State's legal system?

Studi in onore di Francesco Grelle

The Laws of Late Medieval Italy (1000-1500)

Liminal Discourses

Labour Power

This important collection of essays is at the cutting edge of contemporary research on Roman law, comparative law, and legal history. The international and distinguished group of authors address some of the most lively contemporary problems in their

Access Free Istituzioni Di Diritto Romano Marrone

respective fields, and provide new perspectives and insights in a wide range of areas. With a firm focus on texts and contexts, the papers come together to provide a coherent volume dedicated to one of the greatest contemporary Romanists, legal historians and comparative lawyers. The book covers Professor Watson's main fields of interest in a clear and accessible form, while also making available the scholarship of some individuals who do not normally publish in English. This fully-indexed volume will be of interest to all scholars and students of Roman law, ancient Jewish and

Chinese law, legal history and comparative law, and will be useful for teaching and research in these fields.

This book presents a broad overview of succession law, encompassing aspects of family law, testamentary law and legal history. It examines society and legal practice in Europe from the Middle Ages to the present from both a legal and a sociological perspective. The contributing authors investigate various aspects of succession law that have not yet been thoroughly examined by legal historians, and in doing so they not only add to our

Access Free Istituzioni Di Diritto Romano Marrone

knowledge of past succession law but also provide a valuable key to interpreting and understanding current European succession law. Readers can explore such issues as the importance of a father's permission to marry in relation to disinheritance, as well as inheritance transactions and private, dynastic and cross-border successions. Further themes addressed by the expert contributors include women's inheritance rights, the laws of succession for the prince in legal consulting, and succession in the Rota Romana's jurisprudence.

La presente obra tiene como objetivo

Access Free Istituzioni Di Diritto Romano Marrone

encontrar criterios sustanciales de valoración del cumplimiento de las obligaciones que contribuyan a la construcción de una consideración de la conducta del deudor, en la ejecución de las prestaciones a su cargo, capaz de reflejar la importancia de este concepto para el derecho civil, pues el cumplimiento es la mas perfecta realización del contenido de la obligación hacia él está destinada tecnológicamente desde que nace, ya que solo a través del mismo despliega plenamente su función social. El cumplimiento, en suma, es la única vía que permite la materialización

Access Free Istituzioni Di Diritto Romano Marrone

de la colaboración intersubjetiva que el derecho aspira a facilitar y tutelar por medio de la obligación como jurídica. Nuestro propósito se encuentra justificado en la convicción de la insuficiencia de los mecanismos que en la actualidad se utilizan para evaluar el comportamiento del deudor al dar cumplimiento a sus compromisos, por cuanto dichos mecanismos se encuentran restringidos a la mera verificación de la correspondencia entre fuente de la obligación y conducta efectivamente desplegada en términos de sujetos, tiempo y lugar del pago, así como a una confrontación formal de los

Access Free Istituzioni Di Diritto Romano Marrone

extremos que permita concluir que el pago es idéntico y completo respecto del título que lo impone. Asimismo, nos motiva la preocupación que proviene de constatar que en el derecho civil contemporáneo el lugar por antonomasia en el que se evalúa con mayor detalle y atención la conducta del deudor es el de la responsabilidad civil. En nuestra opinión, esta manera de afrontar las problemáticas relacionadas con el comportamiento de aquel sobre el que pesa una obligación ha contribuido a la difusión, tal vez silenciosa, de una percepción de las obligaciones como compromisos respecto de los

Access Free Istituzioni Di Diritto Romano Marrone

cuales puede elegirse entre cumplir o indemnizar, con lo cual se pone en grave peligro la capacidad de las obligaciones y contratos como estructuras jurídicas que permiten la realización de la autonomía privada y la solidaridad entre individuos que se necesitan mutuamente.

mantenuta, a garanzia di un più semplice apprendimento per chi approccia per la prima volta la materia, una impostazione che segue, come la maggior parte dei manuali, la tripartizione classica gaiana. Res, personae ed actiones esposte in maniera semplice e chiara, nello stile che contraddistingue la Manualistica STUDIOPIGI. Anche le Istituzioni di Diritto Romano sono "facili facili".

Roman Law: An Introduction offers a clear and accessible introduction to Roman law for students of any legal tradition. In the thousand years between the Law of the Twelve Tables and

Access Free Istituzioni Di Diritto Romano Marrone

Justinian's massive Codification, the Romans developed the most sophisticated and comprehensive secular legal system of Antiquity, which remains at the heart of the civil law tradition of Europe, Latin America, and some countries of Asia and Africa. Roman lawyers created new legal concepts, ideas, rules, and mechanisms that most Western legal systems still apply. The study of Roman law thus facilitates understanding among people of different cultures by inspiring a kind of legal common sense and breadth of knowledge. Based on over twenty-five years' experience teaching Roman law, this

Access Free Istituzioni Di Diritto Romano Marrone

volume offers a comprehensive examination of the subject, as well as a historical introduction which contextualizes the Roman legal system for students who have no familiarity with Latin or knowledge of Roman history. More than a compilation of legal facts, the book captures the defining characteristics and principal achievements of Roman legal culture through a millennium of development.
