

The Crochet Stitch Bible The Essential Illustrated Reference Over 200 Traditional And Contemporary Stitches Artistcraft Bible Series

This jam-packed stitch bible begins with a guide to the best tools and equipment, detailed instructions on how to crochet, and information on reading stitch diagrams and understanding crochet abbreviations. It offers a selection of the very best stitches, including a few new ones and some reinvented for a new generation. The book is divided into three main sections. The first covers basic crochet stitches. The emphasis here is on texture, and we show how combinations of these stitches can be used to make a huge variety of different crochet fabrics, featuring shells, chevrons, puff stitches, trellis stitches and loop stitches, among others. The second section focuses on motifs in a variety of shapes: circular, square, polygonal, triangular as well as leaf and petal shapes. Regular-shaped motifs can be made in multiples and stitched together to create items such as throws and blankets. The third section covers edgings and trims, ranging from simple cords and braids to more elaborate ruffles and frills. Crochet trims can be used to decorate a plain knit or crochet item, adding a special something to a hem, cuff, neckline or plain blanket edge. This inspiring volume will provide a wealth of ideas to bring new creative elements to your crochet work. Whether you are new to crochet or a seasoned pro, there is always something new to learn.

Learn more than 130 fully illustrated techniques and stitches and put them into practice as you go, creating 80 imaginative projects for home and to wear. Packed with step-by-step photography and clear instructions, Crochet has everything you need to crochet a gorgeous array of clothing, home decor items, and toys. Get started with your first crochet hook, work a range of classic granny squares, and discover how to craft delicate lace and openwork pieces. Practice your newly learned skills on simple projects as you move through the ebook, or dive straight into the dedicated projects chapter, which includes amigurumi and toy designs, blankets and pillows, and clothing for children and adults. Newly updated with a fresh design and brand-new photography, Crochet is both a perfect e-guide for beginners and an invaluable resource for more practiced crocheters.

Increase your stitch repertoire! Access hundreds of crochet stitches that you can use year in and year out. From two of the most respected names in crochet, this indispensable resource provides excellent value. Find step-by-step instructions for more than 350 stitches, from easy to advanced, including shells, fans, clusters, bobbles, and more. See a swatch for each stitch in a full-color, close-up photograph. Locate quickly and conveniently any stitch you like; stitches are grouped by style for easy reference, and an alphabetical index is also included.

Like Japanese knitting before it, Japanese-style crochet is getting ready to sweep the globe! Japanese Wonder Crochet is the first major Japanese crochet book to be translated into English. It introduces crafters outside Japan to the wonderful crotchet techniques and charts that are so popular within the country. The book shows a creative approach to classic crochet stitches such as Aran, herringbone, Bavarian, waffle, crocodile, reversible crochet, and many more. In Japan, crochet work is often added to knitted garments; while you may choose to incorporate these techniques into your own knitting projects, Japanese crochet is a great pleasure in and of itself. In this book, a swatch pattern is provided for each stitch which helps crocheters practice the mechanics of the stitch before applying them to larger projects. The personal and home accessory projects included provide something for every level of time commitment—from potholders and cup cozies to tote bags and blankets. More than 25 exciting projects are included: A patchwork throw A reversible cowl Bags in Bavarian, crocodile, Aran stitches and more Totes in herringbone and rib stitches A vintage bag and floral brooch in bullion stitch A tea cozy, mittens, a shawl And so much more! An extensive introduction by Japanese knitting and crochet expert Gayle Roehm explains the stitch charts as well as the differences and similarities between Japanese and Western styles of crochet. A guide to stitch symbols and extensive lessons provide visual guidance. With Japanese Wonder Crochet and a little practice, crocheters and Japanese-style knitters can open up many new horizons using the wonderful patterns that so many Westerners have already fallen in love with.
