

The Science Of Happily Ever After What Really Matters In Quest For Enduring Love Ty Tashiro

*According to Dr. Maggie Maguire, happiness is serious science, as serious as Maggie takes herself. But science can't always account for life's anomalies--for instance, why her fiancé dumped her for a silk-scarf acrobat and how the breakup sent Maggie spiraling into an extended ice cream-fueled chick flick binge. Concerned that she might never pull herself out of this nosedive, Maggie's friends book her as a speaker on a "New Year, New You" cruise in the Gulf of Mexico. Maggie wonders if she's qualified to teach others about happiness when she can't muster up any for herself. But when a handsome stranger on board insists that smart women can't ever be happy, Maggie sets out to prove him wrong. Along the way she may discover that happiness has far less to do with the head than with the heart. Filled with memorable characters, snappy dialogue, and touching romance, Kristin Billerbeck's *The Theory of Happily Ever After* shows that the search for happiness may be futile--because sometimes happiness is already out there searching for you.*

*"Billerbeck has the most delightful voice I've ever read. I adore her stories, and she returns with an enchanting new novel, *The Theory of Happily Ever After*. I laughed, cried, and rejoiced with her wonderful characters and was sad when the story ended. Highly recommended!"--Colleen Coble, USA Today bestselling author*

*Go behind the scenes of Kiera Cass's #1 bestselling Selection series with this gorgeous collection of novellas and exclusive extras Meet Prince Maxon before he fell in love with America, and a girl named Amberly before she became queen. See the Selection through the eyes of a guard who watched his first love drift away and a girl who fell for a boy who wasn't the prince. This must-have companion to the Selection series includes all four novellas as well as exclusive bonus content. Includes: *The Prince The Guard The Queen The Favorite* Exclusive new scenes from *The Selection, The Elite, and The One* Introductions to each novella from Kiera Cass A map of Illéa and other illustrations And more!*

*"My husband and I can't seem to agree on anything!" "You spent how much!?" "My wife's parents are driving me crazy!" "You never listen to me!" Let's face it--even the best of marriages hit an occasional bump in the road now and then. The secret to marital bliss lies in how you and your spouse handle those bumps. In *Happily Ever After*, Gary Chapman, the man "who wrote the book" on how to communicate with your spouse, shows couples how to successfully navigate the six most common problems that couples face: fighting fair, negotiating change, managing money, getting along with your in-laws, raising kids, and maintaining a healthy sex life. Drawing on more than 30 years of counseling experience, Dr. Chapman provides real-world examples and practical, battle-tested advice that will help you and your spouse better understand and communicate with each other as well as grow as a couple for many years to come.*

*First Published in 1997. Routledge is an imprint of Taylor & Francis, an informa company. If you think money can't buy happiness, you're not spending it right. Two rising stars in behavioral science explain how money can buy happiness--if you follow five core principles of smarter spending. If you think money can't buy happiness, you're not spending it right. Two rising stars in behavioral science explain how money can buy happiness--if you follow five core principles of smarter spending. *Happy Money* offers a tour of new research on the science of spending. Most people recognize that they need professional advice on how to earn, save, and invest their money. When it comes to spending that money, most people just follow their intuitions. But scientific research shows that those intuitions are often wrong. *Happy Money* explains why you can get more happiness for your money by following five principles, from choosing experiences over stuff to spending money on others. And the five principles can be used not only by individuals but by companies seeking to create happier employees and provide "happier products" to their customers. Elizabeth Dunn and Michael Norton show how companies from Google to Pepsi to Crate & Barrel have put these ideas into action. Along the way, the authors describe new research that reveals that luxury cars often provide no more pleasure than economy models, that commercials can actually enhance the enjoyment of watching television, and that residents of many cities frequently miss out on inexpensive pleasures in their hometowns. By the end of this book, readers will ask themselves one simple question whenever they reach for their wallets: Am I getting the biggest happiness bang for my buck?*

Isla's had a crush on classmate Josh since their freshman year at the School of America in Paris, but after a chance encounter over the summer in Manhattan they return to France for their senior year where they're forced to confront challenges every young couple in

Love must face.

Originally published as Going all the way, 2007

What do you do when your marriage is so unhappy that you begin to fantasize about your husband's funeral? That's how bad it got for Alisa Bowman. . . So she launched a last-ditch effort to save her marriage. Project: Happily Ever After is her fearlessly honest and humorous account of how she went from being a "divorce daydreamer" to renewing her wedding vows -- and all of the steps in between. From bikini waxes to erotica, romance instruction manuals to second honeymoons, the silent treatment to power struggles, she goes where many marriage-improvement gurus have feared to tread. Equal parts funny, poignant, and most importantly, useful, Bowman's story will give other miserably-married folks courage and hope. And in addition to telling her own story, she packs straightforward prescriptive guidance, including a "10-Step Marital Improvement Guide." Readers will laugh. They'll cry. And they can start on the road toward their own happy ending!

30 devotional readings for couples from John Piper, Francis Chan, Nancy DeMoss Wolgemuth, and 10 others. / God designed marriage as a pointer to and catalyst for your greatest joy. It's not meant to be a storybook ending, but a fresh beginning, to help ready you for the true "happily ever after" when we see our great Bridegroom face to face.

The author, a member of the First Presidency of The Church of Jesus Christ of Latter-day Saints, shares insight and advice with the young women of the Church.

'A passionate, provocative book. It isn't just a self-help book. It is a manifesto for a better society' Sunday Times 'One of the most rigorous articulations of the new mood of acceptance...a persuasive demolition of many of our cultural stories about how we ought to live' Oliver Burkeman, Guardian Paul Dolan, the bestselling author of Happiness by Design, shows us how to escape the myth of perfection and find our own route to happiness. Be ambitious; find everlasting love; look after your health ... There are countless stories about how we ought to live our lives. These narratives can make our lives easier, and they might sometimes make us happier too. But they can also trap us and those around us. In Happy Ever After, bestselling happiness expert Professor Paul Dolan draws on a variety of studies ranging over wellbeing, inequality and discrimination to bust the common myths about our sources of happiness. He shows that there can be many unexpected paths to lasting fulfilment. Some of these might involve not going into higher education, choosing not to marry, rewarding acts rooted in self-interest and caring a little less about living forever. By freeing ourselves from the myth of the perfect life, we might each find a life worth living.

True love and holiday cheer combine for an unforgettable romance in this second Happily Ever After novel featuring a North Carolina bookstore from the New York Times bestselling author of The Good Ones. All he wants for Christmas... The second Joaquin Solis saw Savannah Wilson, he knew she was destined to be his wife. Unfortunately, Savannah's sights are set on a happily-ever-after of another kind: skewering the boss who got her fired. Until then, she won't act on the scorching sexual chemistry that is brewing between them, leaving Joaquin scrambling to find a way to capture her heart. When the opportunity arises to use his ranch to boost Savannah's publicity career, Joaquin doesn't hesitate to invite her into his world at Shadow Pines and woo her with all of his Christmas loving mojo. It's a gamble since the holidays aren't really Savannah's thing and helping her might also mean losing her as she plans to shake the dust off of their quaint town in North Carolina and head back to New York City the first chance she gets. But Joaquin believes in the magic of Christmas and he knows with a little help from his friends at the Happily Ever After Bookstore, he can convince the woman of his dreams that he's a keeper...

A WASHINGTON POST NOTABLE BOOK OF THE YEAR An O, THE OPRAH MAGAZINE BEST BOOK OF 2020 FINALIST FOR THE STORY PRIZE LONGLISTED FOR THE ASPEN WORDS LITERARY PRIZE ONE OF THE NEW YORKER BOOK CRITIC'S FAVORITE FICTION OF THE YEAR "Sublime short stories of race, grief, and belonging . . . an extraordinary new collection . . ." —The New Yorker "Evans's new stories present rich plots reflecting on race relations, grief, and love . . ." —The New York Times Book Review, Editor's Choice "Danielle Evans demonstrates, once again, that she is the finest short story writer working today."

—Roxane Gay, The New York Times—bestselling author of Difficult Women and Bad Feminist The award-winning author of Before You Suffocate Your Own Fool Self brings her signature voice and insight to the subjects of race, grief, apology, and American history. Danielle Evans is widely acclaimed for her blisteringly smart voice and X-ray insights into complex human relationships. With The Office of Historical Corrections, Evans zooms in on particular moments and relationships in her characters' lives in a way that allows them to speak to larger issues of race, culture, and history. She introduces us to Black and multiracial characters who are experiencing the universal confusions of lust and love, and getting walloped by grief—all while exploring how history haunts us, personally and collectively. Ultimately, she provokes us to think about the truths of American history—about who gets to tell them, and the cost of setting the record straight. In "Boys Go to Jupiter," a white college student tries to reinvent herself after a photo of her in a Confederate-flag bikini goes viral. In "Richard of York Gave Battle in Vain," a photojournalist is forced to confront her own losses while attending an old friend's unexpectedly dramatic wedding. And in the eye-opening title novella, a black scholar from Washington, DC, is drawn into a complex historical mystery that spans generations and puts her job, her love life, and her oldest friendship at risk.

Lucy has just joined the afterlife, and as a brand-new ghost she's mostly see-through, not able to stand or sit normally, stuck in the ballet clothes she was wearing before she crossed over...and stuck in middle school. Can't a ghost get a break? But then the

cutest (ghost) boy she's ever seen turns out to be her very own guide to school, and things start looking brighter. Maybe she's not quite solid yet, but Lucy is definitely going to make this the best afterlife ever!

Jane the Virgin meets To All the Boys I've Loved Before in this charming debut romantic comedy filled with Black Girl Magic. Perfect for fans of Mary H. K. Choi and Nicola Yoon, with crossover appeal for readers of Jasmine Guillory and Talia Hibbert romances. Sixteen-year-old Tessa Johnson has never felt like the protagonist in her own life. She's rarely seen herself reflected in the pages of the romance novels she loves. The only place she's a true leading lady is in her own writing—in the swoony love stories she shares only with Caroline, her best friend and #1 devoted reader. When Tessa is accepted into the creative writing program of a prestigious art school, she's excited to finally let her stories shine. But when she goes to her first workshop, the words are just...gone. Fortunately, Caroline has a solution: Tessa just needs to find some inspiration in a real-life love story of her own. And she's ready with a list of romance novel-inspired steps to a happily ever after. Nico, the brooding artist who looks like he walked out of one of Tessa's stories, is cast as the perfect Prince Charming. But as Tessa checks each item off Caroline's list, she gets further and further away from herself. She risks losing everything she cares about—including the surprising bond she develops with sweet Sam, who lives across the street. She's well on her way to having her own real-life love story, but is it the one she wants, after all?

Tess was used to being in the shadows. But when movie star Ryan McDonnell pulls her into the spotlight, her whole world is threatened. Can a relationship that starts as a secret fantasy ever survive in the real world? My sister Juliet has always gotten everything she wants. It's fine though. I never wanted the spotlight. That was my sister's domain. And now that she's America's most popular starlet? She can have it. But when Gran—the feisty woman who raised us, and who I cannot seem to wean off video games, an afternoon doobie, or her daily Manhattan-has a huge party to celebrate her 90th birthday, Juliet brings the Hollywood madness straight to Maryland. In the form of my ultimate movie-star crush, Ryan McDonnell. I can barely form a sentence around the guy (at least I don't still have a poster of him on my wall). And I definitely can't get over the fact that he's Juliet's new boyfriend. I just need to get through the weekend with them—and with the magazine people who are covering them and the party for a feature. I just need to stay away from Ryan and his warm curious eyes, his perfectly chiseled arms, and the impossibly sexy things that come out of his mouth when we're alone together. It's only one weekend, and I just need to remember that Ryan is an actor. A good one. Because I almost believe him when he tells me we have a chance together. If you're looking for a snort-laugh-inspiring romcom with lovesick housechickens, video game-playing grannies, and hot swoony heroes, you're in luck! Grab the first book in this duet today! (Both books are full-length standalones with happily ever afters and no cliffhangers!)

All Renee Thomas ever wanted was to have a fulfilling life. So she married Jerome, her high school sweetheart, had two beautiful children, and was steadily climbing the ladder of success. Months before her thirty-fifth birthday, however, she realizes that her life is slowly crumbling. Her oldest son has become rebellious, and her once stable career seems like it is about to end. In addition, Renee learns that Jerome has been involved in a long-term affair with Taylor Kimball, a thirty-three year old bus driver. After a few bad relationships, Taylor has given up hope on finding the perfect man. She settles on Jerome, believing he will eventually leave Renee. When Taylor grows tired of being the other woman, she pressures Jerome to commit to their relationship. When he cannot give Taylor the answer she wants to hear, she spirals into a slow depression. At a low point in their lives, both Renee and Taylor find themselves longing for true happiness. The phrase "happily ever after" has lost its attraction; they want the happily ever now. Through God's love, can both women learn to forgive those who have caused them pain, and discover the true joy of life's happiness?

Women: gain control and confidence in your love lives and find the relationship you want with this modern, life-changing guide from the certified sex educator, intimacy expert, and YouTube personality. For younger generations, dating is a complicated mystery. Apps like Tinder and Bumble are supposed to foster connection, but instead serve as a reminder of how painfully single we are. Certified sexologist and intimacy coach Shan Boodram—the most sought-after sex educator on the internet—is about to change all that. In this essential how-to guide, she addresses the realities of life today—when the rules of love and attraction are fluid—and teaches a group of young women how to become master daters in just sixty days. It starts with you. Shan makes clear that love and self-discovery go hand in hand—your dating life is just as much about you as it is about other people. She challenges you to look inside yourself for what you want out of a partner, a relationship and, most important, yourself. Once you figure out what you want from dating, she shows you exactly how to get it. The Game of Desire empowers you to take the lead, learn your strengths, and identify and correct your weaknesses, all the while getting inspired watching a group of women learn how to succeed in today's dating pool. While many books tell women why they can't get a date, Shan teaches you the skills and techniques necessary to take charge in today's competitive and often confusing dating scene, providing the tools essential to attract—and retain—the partner(s) you want. From learning love languages to debunking dating myths, she helps women build knowledge and confidence. Featuring conversational case studies, comprehensive facts about the psychology of sex and romance, and expert insight into sex culture, and written with her trademark humor and charm, The Game of Desire is a must for all of Shan's fans and for every woman struggling to feel loved and desired.

The wait is over for a "marriage-prep" guide that effectively helps couples learn what they specifically need to know and do to prepare for the honeymoon and the intimate marital relationship. This one-of-a-kind resource dispels anxiety over the common concerns Christian couples have when it comes to the sexual relationship. This book is a game changer—especially for those who get their hands on this before marriage!! From Honeymoon to Happily Ever After: 23 Keys to Prepare for a Sextraordinary Marriage respectfully provides enlightening and encouraging counsel with practical suggestions to help couples feel informed, prepared, and confident as they embark upon the intimate adventure of preparing for and creating their own sextraordinary marriage! Couples will find 23 keys to help them overcome the common intimacy challenges they'll face within marriage as well.

Examines the science behind choosing a mate and reveals actionable tips for finding love, in an exploration that draws on research from such fields as demography, sociology, and psychology.

This work looks at the body of women's fiction written in postwar Britain, up to 1960. It examines the myth of the fairy tale ending and what changes the postwar period has wrought in subverting stereotypes.

In the vein of *Quiet* and *The Geeks Shall Inherit the Earth* comes this illuminating look at what it means to be awkward—and how the same traits that make us socially anxious and cause embarrassing faux pas also provide the seeds for extraordinary success. As humans, we all need to belong. While modern social life can make even the best of us feel gawky, for roughly one in five of us, navigating its challenges is consistently overwhelming—an ongoing maze without an exit. Often unable to grasp social cues or master the skills and grace necessary for smooth interaction, we feel out of sync with those around us. Though individuals may recognize their awkward disposition, they rarely understand why they are like this—which makes it hard for them to know how to adjust their behavior. Psychologist and interpersonal relationship expert Ty Tashiro knows what it's like to be awkward. Growing up, he could do math in his head and memorize the earned run averages of every National League starting pitcher. But he couldn't pour liquids without spilling and habitually forgot to bring his glove to Little League games. In *Awkward*, he unpacks decades of research into human intelligence, neuroscience, personality, and sociology to help us better understand this widely shared trait. He explores its nature vs. nurture origins, considers how the awkward view the world, and delivers a welcome counterintuitive message: the same characteristics that make people socially clumsy can be harnessed to produce remarkable achievements. Interweaving the latest research with personal tales and real world examples, *Awkward* offers reassurance and provides valuable insights into how we can embrace our personal quirks and unique talents to harness our awesome potential—and more comfortably navigate our complex world.

Nearly 60% of today's marriages end in divorce, and of the 40% that stay intact, many languish. What is the secret to relationships that not only survive, but thrive? In *Happy Together*, positive psychology experts and husband-and-wife team Suzann Pileggi Pawelski and James Pawelski reveal for the first time how to apply the principles of positive psychology to create and enjoy healthy, successful, and satisfying relationships that last. Combining their deep knowledge in this field with extensive scientific research, real-life examples, advice from relationship scientists, and fun exercises and quizzes for couples, they identify four key areas that are crucial for building and sustaining love over the long run—passion, positive emotions, savoring, and strengths. Their easy-to-follow, step-by-step method shows how to cultivate these elements successfully at any stage of a partnership or marriage. Inspiring, encouraging and accessible, *Happy Together* is the essential roadmap to rewarding, long-lasting romance for any couple, whether they're looking to start off a relationship on the right foot, weather difficult times, reignite passion, or transform a good marriage into a great one.

From the author of *The Introvert's Way*, a friendly and accessible guide to dating and relationships for introverts. Love is tricky for everyone—and different personality types can face their own unique problems. Now the author of *The Introvert's Way* offers a guide to romance that takes you through the frequently outgoing world of dating, courting, and relationships, helping you navigate issues that are particular to introverts, from making conversation at parties to the challenges of dating an extrovert.

When story-lover Anna takes over Longhampton's bookshop, it's her dream come true. And not just because it gets her away from her three rowdy stepchildren and their hyperactive Dalmatian... Unpacking boxes filled with childhood classics, Anna can't shake the feeling that maybe her own fairytale ending isn't all that she'd hoped for. But, as the stories of love, adventure, secret gardens, lost dogs, wicked witches and giant peaches breathe new life into the neglected shop, Anna and her customers get swept up in the magic too. Even Anna's best friend Michelle - who categorically doesn't believe in true love and handsome princes - isn't immune. But when secrets from Michelle's own childhood come back to haunt her, and disaster threatens Anna's home, will the wisdom and charm of the stories in the bookshop help the two friends - and those they love - find their own happy ever afters? 'Lucy Dillon's voice is gentle and kind throughout...perceptive and well handled. A heart-warming piece of escapism for long winter nights.' - Red A perfect escapism for fans of Jojo Moyes and Katie Fforde.

Happily Ever After is a star-studded book of fairy tales, featuring an introduction by Bill Willingham (Fables) and stories by Gregory Maguire, Susanna Clarke, Karen Joy Fowler, Charles de Lint, Holly Black, Garth Nix, Kelly Link, Peter Straub, Neil Gaiman, Patricia Briggs, and many other fantasy luminaries.

Utilizing sophisticated methodology and three decades of research by the world's leading expert on happiness, Happiness challenges the present thinking of the causes and consequences of happiness and redefines our modern notions of happiness. shares the results of three decades of research on our notions of happiness covers the most important advances in our understanding of happiness offers readers unparalleled access to the world's leading experts on happiness provides "real world" examples that will resonate with general readers as well as scholars Winner of the 2008 PSP Prose Award for Excellence in Psychology, Professional and Scholarly Publishing Division of the Association of American Publishers

Maggie Dolin is forty-five and isn't dealing with getting older very well. Seventeen years ago, she gave up her job in publishing to raise her daughter, Gia—but now her only child is about to leave for college, and Maggie isn't sure what her new purpose will be. She's been the caretaker and nurturer for so long that she can't even remember the last time someone took care of her. She wishes Jim, her husband of nineteen years, would take that role on—but he's been distracted and disconnected, and she's convinced he's hiding something from her. Her self-involved, judgmental mother and resentful brother, meanwhile, are certainly no help, and her father—the only person in her life who's always been there for her and asked nothing in return—is dealing with increasingly serious health issues, leaving Maggie without her rock. As all these stressors pile on, a chance meeting with a younger man causes Maggie to act in a way that is completely out of character for her. As she gets deeper in, she's forced to make some big decisions about what

she wants and deserves—decisions that could change her life forever. After *Happily Ever After* deals with love, marriage, family, the empty nest, aging parents and what happens when they all come crashing down at the same time.

Perfect for fans of *Geekerella* and *Jenn Bennett*, this charming, sparkly rom-com follows a wish-granting teen forced to question if she's really doing good—and if she has the power to make her own dreams come true. Charity is a fairy godmother. She doesn't wear a poofy dress or go around waving a wand, but she does make sure the deepest desires of the student population at Jack London High School come true. And she knows what they want even better than they do because she can glimpse their perfect futures. But when Charity fulfills a glimpse that gets Vindhya crowned homecoming queen, it ends in disaster. Suddenly, every wish Charity has ever granted is called into question. Has she really been helping people? Where do these glimpses come from, anyway? What if she's not getting the whole picture? Making this existential crisis way worse is Noah—the adorkable and (in Charity's opinion) diabolical ex of one of her past clients—who blames her for sabotaging his prom plans and claims her interventions are doing more harm than good. He demands that she stop granting wishes and help him get his girl back. At first, Charity has no choice but to play along. But soon, Noah becomes an unexpected ally in getting to the bottom of the glimpses. Before long, Charity dares to call him her friend...and even starts to wish he were something more. But can the fairy godmother ever get the happily ever after?

"Find your one true love and live happily ever after." The trials of love and desire provide perennial story material, from the Biblical *Song of Songs* to Disney's princesses, but perhaps most provocatively in the romance novel, a genre known for tales of fantasy and desire, sex and pleasure. Hailed on the one hand for its women-centered stories that can be sexually liberating, and criticized on the other for its emphasis on male/female coupling and mythical happy endings, romance fiction is a multi-million dollar publishing phenomenon, creating national and international societies of enthusiasts, practitioners, and scholars. Catherine M. Roach, alongside her romance-writer alter-ego, Catherine LaRoche, guides the reader deep into Romancelandia where the smart and the witty combine with the sexy and seductive to explore why this genre has such a grip on readers and what we can learn from the romance novel about the nature of happiness, love, sex, and desire in American popular culture.

One of BuzzFeed's "Books Coming Out This Summer That You Need to Seriously Read" * One of Bustle's "New Romance Novels to Make Your Spring Reading Even Dreamier Than You Imagined" A charming romantic comedy about three sisters who are struggling to keep the family wedding planning business afloat—all the while trying to write their own happily-ever-afters in the process. All's fair in love and business. The de la Rosa family and their wedding planning business have been creating happily ever afters in the Washington, DC area for years, making even the most difficult bride's day a fairytale. But when their parents announce their retirement, the sisters—Marisol, Janelyn, and Pearl—are determined to take over the business themselves. But the sisters quickly discover that the wedding business isn't all rings and roses. There are brides whose moods can change at the drop of a hat; grooms who want to control every part of the process; and couples who argue until their big day. As emotions run high, the de la Rosa sisters quickly realize one thing: even when disaster strikes—whether it's a wardrobe malfunction or a snowmageddon in the middle of a spring wedding—they'll always have each other. Perfect for fans of the witty and engaging novels of Amy E. Reichert and Susan Mallery, *The Key to Happily Ever After* is a fresh romantic comedy that celebrates the crucial and profound power of sisterhood. There may be no formula for love, but that certainly doesn't mean there's no science behind it. In this fascinating analysis about the studies and research data behind romance and relationships, Dr. Ty Tashiro sets out to revolutionize the ways we search for love. His research pinpoints why our decision-making abilities seem to fail when it comes to choosing mates and how we can make smarter choices. Dr. Tashiro has discovered that if you want a lifetime of happiness--not just togetherness--it all comes down to how you choose a partner in the first place. With wit and insight, he explains the science behind finding a soul mate and distills his research into actionable tips, including: Why you get only three wishes when choosing your ideal partner Why most people squander their wishes and end up in unfulfilling relationships How wishing for the three traits that really matter can help you find enduring love Illustrated using entertaining stories based on real-life situations and backed by scientific findings from fields such as demography, sociology, medical science and psychology, Dr. Tashiro's book provides an accessible road map to help people everywhere find their happily-ever-afters.

What instinctive tendencies etched into our subconscious minds drive us to behave in ways that cause us pain and suffering? How can we transcend those tendencies? Why do educated women repeatedly revert to outdated patterns of relating to men—even as ancient patriarchal systems (and the fairy tales perpetuating them) are clearly crumbling? Through the author's ongoing quest to delve into wide-ranging explorations of body, mind, and spirit—discovering along the way that many theories, practices, and neuroscience itself have been evolving in fascinating ways, these concepts and their constant interplay offer the clues that ultimately answer these questions. Carefully researched, *Happily Ever After... Right Now* uniquely combines spiritual, scientific, and practical information for charting a new course towards confidence, empowerment, self-love, and joy. Written with spirit and spunk Luann Robinson Hull interweaves her personal stories while providing a three-part-framework of education, awareness, and transformation for how to live a happy life today, not someday in the future. *Happily Ever After... Right Now* guides us to explore our thoughts and behaviors with soulful inquiries, meditations, and exploratory exercises in each chapter, and reveals the source of relationship challenges by showing step-by-step how to unravel the patterns, habits, and cycles that have kept us from living our best life, whether or not we are in a committed relationship. Now ask yourself, are you ready to put fairy tales behind you and

unleash your potential to thrive across all areas of your life as the person you have always desired to be? Then let's get started! Editorial Review "This book of Luann Robinson Hull's is a stunning hit between the eyes. She has complete command of her subject matter, expertly navigating us through waters we probably didn't even know were treacherous. Not once does she lose sight of her destiny using feminine power and finesse to enlighten us of this mysterious abyss called "relationship." Though her target audience may appear to be women, Happily Ever After...Right Now provided me with insight and clarity into something I gave up trying to comprehend long ago. She reminded me not only of what I seek in a partner but helped me set off on the journey of reclaiming the man I have always wanted to be." –Branden Blinn, The Branden Blinn Media Group

' As entertaining as it is instructive . . . Surprisingly funny and touching. ' - Evening Standard A Sunday Times bestseller, Where's My Happy Ending? asks the questions you've always wondered: What is 'happily ever after'? How do you make love last? Is there such a thing as 'the one'? Maybe you've just had a first date with 'the one', maybe you've been married for ten years. Either way, it's hard to know if they're really meant to be by your side until you both wear dentures. In this book Anna Whitehouse and Matt Farquharson, co-founders of the Mother Pukka website and authors of the Sunday Times bestseller Parenting the Sh*t Out of Life, set out to discover what it takes to make it to forever, by asking our greatest questions about love. They ask a former sex-worker and her ex-gigolo husband, celibate monks and free-loving hippies. They ask people who never wanted kids and people who have loads of them. They speak to couples, throuples and singles; gay, straight and anywhere in-between. And in asking these questions, they are forced to confront their own relationship after a decade of marriage. Join Anna and Matt on a searingly honest, belly-laugh inducing journey through love and relationships, social media and small children, expert advice and everyday exasperation, as they navigate the muddy waters of modern romance.

Discusses long-lasting companionships through interviews and both vintage and contemporary photographs

There may be no formula for love, but that certainly doesn't mean there's no science behind it. In this fascinating analysis about the studies and research data behind romance and relationships, Dr. Ty Tashiro sets out to revolutionize the ways we search for love. His research pinpoints why our decision-making abilities seem to fail when it comes to choosing mates and how we can make smarter choices. Dr. Tashiro has discovered that if you want a lifetime of happiness—not just togetherness—it all comes down to how you choose a partner in the first place. With wit and insight, he explains the science behind finding a soul mate and distills his research into actionable tips, including: Why you get only three wishes when choosing your ideal partner Why most people squander their wishes and end up in unfulfilling relationships How wishing for the three traits that really matter can help you find enduring love Illustrated using entertaining stories based on real-life situations and backed by scientific findings from fields such as demography, sociology, medical science and psychology, Dr. Tashiro's book provides an accessible road map to help people everywhere find their happily-ever-afters.

Introduces the theory of adult attachment as an advanced relationship science that can enable individuals to find and sustain love, offering insight into the roles of genetics and early family life in how people approach relationships.

Argues that couples can use a knowledge of quantum physics, biochemistry, and psychology to create and maintain an intense loving relationship with their partner, similar to feelings experienced on a honeymoon.

A theme park princess must put her life back together after her happily ever after falls apart in this contemporary YA romance from the author of How to Keep Rolling After a Fall.
