A heartwarming story about childhood friends, broken lives, and a long ago promise that just might offer the hope of love for today. Years ago, the day before Ellie moved from Georgia to California, she and her best friend Nolan sat beneath the Spanish moss of an ancient oak tree where they wrote letters to each other, and sealed them in a rusty old metal box. The plan was to return eleven years later and read them. But now, as that date arrives, much has changed. Ellie, bereft of the faith she grew up with, is a single mom living in a tired apartment trying to make ends meet. Sometimes she watches television to catch a glimpse of her old friend -Nolan, now an NBA star, whose terrible personal tragedies fueled his faith and

athletic drive in equal measure. But Nolan also suffers from a transcendent loneliness that nothing has ever eased. In their separate lives, as Ellie and Nolan move toward the possibility of a reunion at the oak tree, Kingsbury weaves a tale of heart-wrenching loss, the power of faith, and the wounds that only love can heal.

The Incurable Romantic

From 'Swimming with Giants' to 'The God of Small Things', six chapters portray the inspiration qualities of marine life.

Life presents a collection of short stories and essays that, when read in sequence, shares a series of related pictures that represent life-changing events. "The Pasture" presents a personal tale in a pastoral setting, with its share of flaws. "Squirrels in the Attic" tells of an eruption of domestic problems between humans and animals. "Of Boys and Dogs" takes us to the heart of a loving family who own two guard dogs. "Hidden Treasure" describes an aquifer, a source of pure water, an element necessary for life. Other stories speak of health issues where healing must occur through love and caring that is extended to them by those who can help. Finally, two stories belong to the First Nation people. "Sweat Bathing" is practiced by those who seek harmony and peace above all else, while "Preparing for a Vision Quest" is a step toward manhood and responsibility, a step built upon prayer, fasting, and concentration. Written by author Ethel M. Devlin and reflecting many of her own experiences, the stories of Life offer an engaging snapshot of the cycle of life.

Nine Perfect Strangers now on sale “Here’s the best news you’ve heard all year: Not a single page disappoints....The only difficulty with Truly Madly Guilty? Putting it down.” —Miami Herald “Captivating, suspenseful...tantalizing.” —People Magazine The new novel from Liane Moriarty, the #1 New York Times bestselling author of The Husband’s Secret, Big Little Lies, and What Alice Forgot, about how sometimes we don’t appreciate how extraordinary our ordinary lives are until it’s too late. Six responsible adults. Three cute kids. One small dog. It’s just a normal weekend. What could possibly go wrong? In Truly Madly Guilty, Liane Moriarty turns her unique, razor-sharp eye towards three seemingly happy families. Sam and Clementine have a wonderful, albeit, busy life: they have two little girls, Sam has just started a new dream job, and Clementine, a cellist, is busy preparing for the audition of a lifetime. If there’s anything they can count on, it’s each other. Clementine and Erika are each other’s oldest friends. A single look between them can convey an entire conversation. But theirs is a complicated relationship, so when Erika mentions a last minute invitation to a barbecue with her neighbors, Tiffany and Vid, Clementine and Sam don’t hesitate. Having Tiffany and Vid’s larger than life personalities there will be a welcome respite. Two months later, it

won't stop raining, and Clementine and Sam can't stop asking themselves the question: What if we hadn't gone? In Truly Madly Guilty, Liane Moriarty takes on the foundations of our lives: marriage, sex, parenthood, and friendship. She shows how guilt can expose the fault lines in the most seemingly strong relationships, how what we don't say can be more powerful than what we do, and how sometimes it is the most innocent of moments that can do the greatest harm.

From #1 New York Times bestselling author Karen Kingsbury comes a classic story about second chances, featuring the beloved Baxter family and a young father who finds his whole world turned upside down on the eve of his divorce. What if you could see into the future and know what will happen tomorrow, if you really walk out that door today. Pay attention. Life is not a dress rehearsal. From their first meeting, to their stunning engagement and lavish wedding, to their happily-ever-after, Noah and Emily Carter seemed meant to be. They have a special kind of love—and they want the world to know. More than a million adoring fans have followed their lives on Instagram since the day Noah publicly proposed to Emily. But behind the carefully staged photos and encouraging posts, their life is anything but a fairytale, and Noah's obsession with social media has

ruined everything. Distraught, Emily reaches out to her friend Kari Baxter Taylor and tells her the truth: Noah and Emily have decided to call it quits. He is leaving in the morning. But when Noah wakes the next day, everything is different. Emily is gone and the kids are years older. Like Scrooge in A Christmas Carol, bizarre and strange events continue throughout the night so that Noah is certain he's twenty years older, and he is desperate for a second chance. Now it would take a miracle to return to yesterday. When We Were Young is a rare and beautiful love story that takes place in a single day. It's about knowing what tomorrow will bring if you really walk out that door today—and the gift of being able to choose differently.

Ryan Kelly spends plenty of time at The Bridge--the oldest bookstore in historic downtown Franklin, Tennessee--remembering the times he and Molly Allen--who moved to Portland--once spent there, and now, with the bookstore in deep financial trouble, it will take a miracle to keep tragedy from unfolding. Reprint.

character-driven romance will enthrall [Rivers's] many fans.” —Library Journal The New York Times bestselling author of Redeeming Love returns to her romance roots with this unexpected and redemptive love story, a probing tale that reminds us that mercy can shape even the most broken among us into an imperfect yet stunning masterpiece. A successful LA artist, Roman Velasco appears to have everything he could possibly want—money, women, fame. Only Grace Moore, his reluctant, newly hired personal assistant, knows how little he truly has. The demons of Roman’s past seem to echo through the halls of his empty mansion and out across his breathtaking Topanga Canyon view. But Grace doesn’t know how her boss secretly wrestles with those demons: by tagging buildings as the Bird, a notorious but unidentified graffiti artist—an alter ego that could destroy his career and land him in prison. Like Roman, Grace is wrestling with ghosts and secrets of her own. After a disastrous marriage threw her life completely off course, she vowed never to let love steal her dreams again. But as she gets to know the enigmatic man behind the reputation, it’s as if the jagged pieces of both of their pasts slowly begin to fit together . . . until something so unexpected happens that it changes the course of their relationship—and both their lives—forever. “Rivers deftly threads
